Sir,-

Re Lots 13, 14, 15, 16, 17, 18, 19, 20
21, and 22, Block 5, Townsite of Jarvis

On the 12th September last, a Homestead Inspector reported that the Excelsior Lumber Company owned the improvements placed on Lots 13, 14, 15, 16, 17, 18, 19, 20, 21 and 22, Block 5, in the above mentioned townsite. On the 20th October Mr. Fred Bushaw of Jarvis made application to purchase lots 13, 14, 15, 16, 17 and 18 Block 5.

As the application of Mr. Bushaw conflicts in part with the lots on which it appears the Excelsior Lumber Company own improvements, I would request you to instruct a Homestead Inspector to investigate very carefully the claims of both the Excelsior Lumber Company and Mr. Fred Bushaw and report fully in the matter.

Re Lots 13, 14, 15, 16, 17, 18, 19, 20
21, and 23, Block 5, Townsite of Jarvie

On the 12th September last, A Homestead Inspector reported that the Excelsior Lumber Company owned the improvements placed on Lots 16, 18, 19, 20 21 and 23, Block 5, in the above mentioned townsite. On the 20th October Mr. Fred Bushaw of Jarvie made application to purchase lots 13, 14, 15, 16, 17 and 18 Block 5.

As the application of Mr. Bushaw conflicts in part with the lots on which it appears the Excelsior Lumber Company own improvements, I would request you to instruct a Homestead Inspector to investigate very carefully the claims of both the Excelsior Lumber Company and Mr. Fred Bushaw and report fully in the matter.

I would like to ask you
to please look into the reason why
the title for lot one (1) Block

has not been forwarded to my

could do for us would be greatly
appreciated.

Owing to a fire, in which we

Sir,-

Re Lots 13, 14, 15, 16, 17, 18, 19, 20
21, and 23, Block 5, Townsite of Jarvis

On the 12th September last, a Homestead Inspector reported that the Excelsior Lumber Company owned the improvements placed on Lots 13, 14, 15, 20 21 and 23, Block 5, in the above mentioned townsite. On the 20th October Mr. Fred Bushaw of Jarvis made application to purchase lots 13, 14, 15, 16, 17 and 18 Block 5.

As the application of Mr. Bushaw conflicts in part with the lots on which it appears the Excelsior Lumber Company own improvements, I would request you to instruct a Homestead Inspector to investigate very carefully the claims of both the Excelsior Lumber Company and Mr. Fred Bushaw and report fully in the matter.

Your obedient servant,

J. H. Jones

Sir:

I am sorry that I cannot give you more
information to the Department in regard to the
15-16-17 and 18, which is, I believe, of value. I would
like to see that lot 15 has been sold to J. J. Webster, and lot
16 to the Western Lumber Company. Lots 15-16-17 and 18
are still available for sale. If you wish to
purchase them, please write to that effect and at the same
time submit an affidavit as to whether or not there are any
improvements on the land, and if so, who is the owner of
such improvements. It is not necessary for the Department
to call upon you for a lot to be sold, and you should
therefore state your reason for desiring such lots.

Very respectfully,
Yours truly,
J. J. Webster.

Respectfully,
J. J. Webster.

I do not know what you value this land at but I would be willing to pay \$25.00 for an acre at the corner. I have mentioned as it would be a great convenience to me in getting to and from my hay meadow. If this would cover the cost kindly let me know as there will be a little expense in getting the deed through, etc., if this would cost anything extra I would be willing to pay for same.

Will you kindly let me know if you would dispose of an acre of this land mentioned and if I can get it I will consider it a favour as it would be a great convenience to me. I will send you a postal money order for this amount if this is satisfactory to you as soon as I hear from you saying that you will grant me permission to purchase this strip of land.

Will you kindly let me know as soon as convenient. Thanking you and with a love that my request will be granted, I remain

Very truly yours,

(Sgd.) John J. Cryderman.

I can vouch for the correctness of the particulars herein.

Ribstone, Alta..

June 13/22.

Department of the Interior,
Ottawa, Canada.

Dear Sirs,-

I am going to make a request to ask if it would be possible for me to purchase a small strip of land on the north east corner of the south east quarter of Sec. 2, 43, 3, 7.4th Meridian. I own the N.W. 1/4 of this same section and about the only way I can get to cut the hay on it on the east side of the creek is to come in off the S.E. quarter on account of the Little Ribstone Creek crossing the road allowance. It is impossible to travel the road allowance as it has already been inspected by the Reeve of the Township some years ago and he claimed it could never be opened as the Big Ribstone Creek as well as Little Ribstone Creek crosses it somewhere about five times inside of a mile and in some places runs along the road for a distance. This corner where I would like to have a strip of land is about the only place that I can get on to my quarter to cut the hay on the east side of the creek as it is higher there and dry. The S.E. 1/4 of this section is, I think I am safe in saying, absolutely worthless and I am sure would never be taken up as it is just pure sand hills and not enough pasture on it to pay for fencing it.

Another reason why I would like to have this strip of land is that my line fence comes in the creek and I cannot keep fence posts on account of the beaver cutting the posts. I have tried iron posts but they rust and only last about between one and two years. I would like to have one acre of this land on the north east corner of the S.E. 1/4 of Sec. 2-43-3-7.4th Mer.

I am enclosing a rough diagram and have marked with an X in the corner where I would like to purchase this strip of land if you could kindly send your way clear to let me have it. I would like to have it running 20 rods south from my line and eight rods west from the road fence. At this corner where I am asking for this strip of land is the only place that I can cross the creek as it is a good bottom there and I have a ford there fixed up to cross.

I am asking Mr. J. J. Hall of Chauvin, to certify that the description and statements I give here are correct, as he was with the Reeve at the time they looked over the opening of the road and he also understands exactly how the land lays there and what it is like.

I.....

(Signature)

Where the applicant is unable to subscribe to the statements in paragraphs (a), (b) and (c) of this Declaration, he is not to be granted entry unless he produces special authority from the Soldier Settlement Board or the District Superintendent. Applicants who are unable to subscribe to paragraphs (a), (b) and (c) should, therefore, take their cases up with the District Superintendent of the Board, explaining on what ground they are applying for special authority.

Subsection 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land; or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of any land; or,
- (c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars."

If the settler is unable to subscribe to the statements in paragraphs marked (a), (b) and (c) of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs (d) and (e) of the Declaration, the Soldier Settlement Board considers that as a rule a farm of 320 acres may be considered an average farm for the western provinces for the purposes of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has a vested, possessory interest in agricultural land of an area amounting to a full section (320 acres) more or less, the settler's application is not to be entertained unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has a vested, possessory interest in agricultural land the value of which is \$5,000 or more, and he is deemed disqualified unless he has been specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purposes of this sub-section.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

Memorandum

Mr. Perrin

N.E. 1 28-07-17-T. 4th E. 100
Soldier Grant - Cyrille Vallee.
Date of entry - 1st November, 1911.
Application for patent not recommended.
Application returned to Agent 6th August, 1928.
No cancellation proceedings pending.
Area of soldier grant - 95.1 acres.

This man has performed the necessary residence duties but is short in cultivation, the application for patent showing 10 acres grubbed in 1925 and 10 acres grubbed in 1927.

The Inspector in his report of the 10th May, 1928, valued the 20 acres slashed at \$140.00. He also credited the homesteader with 1 1/2 miles of fence on the soldier grant, value \$150.00. Residence performed on the homestead, which was patented to him on the 5th October, 1928.

The case was submitted to you on the 26th February last by Mr. Ryan and you decided to ask the homesteader if a sale would satisfy him but no assurance given that same would be authorized.

Mr. Vallee was communicated with in accordance with your instructions and the Agent on the 12th ultimo advised this office that Mr. Vallee had appeared at his office and stated that the sale of his soldier grant entry for the N.E. 1 28 to him at \$1.00 per acre would be satisfactory and paid the sum of \$95.10 in payment.

A telegram has been received from Patton Archibald & Company dated 4th instant, requesting patent for the above land to be rushed.

Patent Agent report payment of \$95.10 in payment of the area of the above soldier grant, 95.1 acres at \$1.00 per acre.

There is a medical certificate on file dated 10th February last from Dr. G.G. Stewart in which he stated that Mr. Vallee had been discharged from hospital. He incurred some

disabilities.....

The land, however, has now passed beyond the control of the School Lands Department and it will be necessary for Mrs. Linn to arrange with the Provincial Authorities to continue residing on the lot in question, or to compensate her for the value of the improvements she has placed thereon.

Your obedient servant,

Assistant Secretary.

thereof until the Authorities of the Province of Alberta made representations to the Department that they desired to acquire the lot for the construction of a Police Barracks and other buildings, when it was decided to be in the best interest of the Province and the public generally for the School Lands Endowment Fund to relinquish its interest in this lot and to take other lands in lieu thereof to compensate the School Lands Endowment Fund.

Mrs. Linn was, therefore, notified on the 2nd day of June, 1922, that she would be required to vacate the property by the 1st of October following as the Department was desirous of making other disposition of the land, and upon a selection of other lands to compensate the Fund this lot was duly relinquished by Order-in-Council bearing date of the 24th day of November, 1922, and has therefore passed out of the hands of the School Lands Endowment Fund and is being transferred to the Province of Alberta for public purposes.

When making representations to the Department that the above mentioned lot was the only property suitable for the purpose of the Provincial Authorities, it was stated that it was the intention to construct a Police Barracks on the west end of the property, leaving the corner for a Court House to be constructed at some future date, and that the present occupant, Mrs. Linn, who was residing on the east side of the property could not be interfered with at the present time, and further that they were prepared to compensate her for any garden produce that would be destroyed on account of the buildings to be erected upon the lot.

In regard to Mrs. Linn's statement that Mr. Collins had advised her that she might proceed to make any additions she desired to her buildings and that when the lot was to be offered for sale at public auction she would be given the first chance to purchase same, and that in any event if she was unable to purchase the land the purchaser would be required to reimburse her for any improvements she had placed thereon, I might state that Mr. Collins had no authority whatever from the Department to grant these privileges, and the Department is of the opinion that Mrs. Linn misunderstood Mr. Collins in regard thereto, as he was well aware that if the land was sold at public auction Mrs. Linn could be given no prior right to purchase same, as at a sale by public auction the highest bidder of course takes the land and no reference is shown. It is hardly likely that Mr. Collins would grant her permission to make any additions to her buildings and to assure her that if she were unsuccessful in purchasing the lot that the purchaser would have to reimburse her for the improvements upon the same as it is customary in cases of this nature to grant the owner of the improvements the privilege of removing same within a reasonable time after the disposal of the land, provided satisfactory arrangements cannot be made with the purchaser of the land to purchase the improvements also.

7th December, 1927.

Sir,-

Re Lot 7, Block 47, Drumheller Townsite.

I beg to acknowledge the receipt of your letter to the Deputy Minister of the 19th ultimo, relative to the above mentioned lot which has been occupied by Mrs. W. D. Linn for sometime, and note your statements in regard thereto.

In connection with this lot I might state that on the strength of representations made to the Department when the lots in the 1st and 2nd sub-division of the Townsite of Drumheller were to be offered for sale on the 12th of November, 1917, Mr. Frank A. Collins, Supervisor of School Lands, was instructed to interview Mrs. Linn in regard to the above mentioned lot, and if her case was considered worthy to withdraw the lot from sale. On the strength of a report received from Mr. Collins the lot was withdrawn and Mrs. Linn was granted the privilege of residing thereon during the absence of her husband overseas.

After the sale was held representations were made to the Department on behalf of Mr. Allan Letherland to the effect that his buildings were also situated on this lot, and it was decided, after an inspection had been made, to allow both Mrs. Linn and Mr. Letherland to use the lot jointly.

In 1919 a further inspection was made when it was learned that Mr. Letherland had disposed of his buildings and that they would be removed from the lot, and Mrs. Linn was, therefore, notified that the Department would allow her to retain possession of the lot but no assurance was given her in any way that she would be allowed to purchase the lot at a later date, nor would she be compensated for any buildings which she might have placed thereon, in so far as the Departmental records show.

No action was taken to require Mrs. Linn to vacate the lot and she was allowed peaceful possession thereof....

MEMORANDUM:

Part S.W. $\frac{1}{4}$ 21-59-6-W.5th Meridian,
Soldier Grant - John Murdoch.

Referring to the Vesting Order covering this settler's soldier grant, it is noted that according to a memorandum hereunder from the Timber & Grazing Lands Division, about 64 acres of this quarter-section is within the limits of License Timber Berth No. 1191, Block 2, and therefore is not available.

In this connection it is noted that Mr. Murdoch's soldier grant entry was transferred to this quarter-section from other land after he secured a loan from the Board and from evidence on file it is apparent that both the settler and the Board were aware that the S.W. $\frac{1}{4}$ 21-59-6-W.5th Mer., was affected by a timber reservation. Please see copy of the Agent's letter to the entrant dated the 29th August, 1923, and also the Board's approval of transfer dated the 20th August, 1923, both on File 3193608, hereunder marked.

Under the circumstances, it is presumed that it will be satisfactory if the available portion of the quarter-section is patented to the Board.

Ottawa, Ontario.

Dear Sir,

I am enclosing herewith blue print of plan for the
Buffalo Lumber Company at Mile 10.5 Grade Prairie branch
of the C. N. & B. C. Railway.

You will observe from the plan that we cross the
S. N. Sec. 28, T. 55, R. 2, W. 3 E. It is necessary for us to
obtain the consent of all property owners before we can submit
our plans to the Board of Railway Commissioners for approval,
and I should, therefore, be glad if you could provide us with
the necessary consent of the Crown, as respects same.

This is an exactly similar case to that of the Chisholm
Lumber Company shown on blue print forwarded with my letter of
November 1st, which, I trust, you will reply to at your earliest
convenience.

Yours truly,

24 December, 1944.

Mr.

Re your letter of the 15th December 1944, regarding the proposed spur line across the above mentioned quarter-section, I beg to advise you that before any action can be taken in this matter it will be necessary for the Railway Company to file in the Department a properly executed plan of the spur line signed by a Dominion Land Surveyor. However, in the meantime a notation has been placed against this quarter-section reserving the land required for the said spur line.

You have not stated in your letter whether this spur line is for a temporary or permanent station and whether the same is intended to be used for the purpose of the land required. I would therefore request you to be good enough to furnish the Department with this information.

Very obedient servant,

Superintendent.

Re: Edmonton Dunvegan & British Columbia
Railway., Grande Prairie Branch, Plan
of Right-of-Way of Spur Line for the
Buffalo Lakes Lumber Company Limited,
S.W. 1/4 Section 4 township 76-5-6.

The Superintendent, Ordnance, Admiralty and Railway
Lands Branch of this Department has transmitted to this office
your letter dated October 29, your file 294, and plan in
duplicate as above for examination and approval.

It is noted that 0.39 acres is shown on the plan
for the area of the right-of-way. This is apparently a
clerical error for 0.59 acres. As the right-of-way concerned
affects only Dominion Lands i.e. unpatented lands the certificate
of Mr. J. Homer Johnston as a Dominion Land Surveyor instead of
his certificate as an Alberta Land Surveyor should have been
inserted on the plan. When returning the plan to him for the
correction of the area it would be preferable to have him certify
the plan in his capacity as a Dominion Land Surveyor, but we
will not insist upon this certificate. The Registrar,
however, may do so.

ENC.

It is not our practice to approve a right-of-way
plan before it has been certified a true copy of one filed
with the Board of Railway Commissioners. It would appear that
the letter of the Superintendent, Ordnance, Admiralty and
Railway Lands Branch dated 20th December 1922 may be taken as
conveying the consent of the Crown as owners since it advised
you of the reservation of the land for the proposed spur.

The plan in duplicate is returned herewith. When
it has been amended as above one copy should be registered
and the copy for this office certified a true copy of the
registered plan. A further copy should be filed with the
Board of Railway Commissioners and our copy might be sent
along with it to be certified a true copy of the plan filed
with the Board. When these two certificates have been
attached one copy should be forwarded to this office for
approval and record.

The Deputy Minister of the Interior,
OTTAWA,
Canada.

Dear Sir:

RE: S.W.17-54-21-4. Clifford I.
Alton.

Mr. Clifford Irwin Alton of this district is the registered owner of the above land which is not covered by any of the waters of certain surveyed lakes as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa on the 18th day of June, A. D. 1884, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, the land owned by Mr. Alton containing by admeasurement one hundred acres.

The above land was patented to the Canadian Pacific Railway Co., and from our enquiries we find that the area covered by the lakes is still unpatented and is, therefore, the property of the Crown.

We are informed by Mr. Alton that these lakes have now completely dried out with the exception of one, of which there is still about ten acres covered by water. Mr. Alton is anxious to purchase from the Dominion Government the area not covered by the lakes, as the same can now be farmed and properly belong to this quarter section. We should be obliged if you would instruct an inspector to be sent out to examine this land and to fix the price at which the same may be purchased by Mr. Alton.

Yours truly,

D.H., F

CORBETT & HARPER,

IN THE MATTER OF the South West quarter of Section 17, Township Fifty-four(54), Range 21, N.4, in the Province of Alberta:
AND IN THE MATTER OF certain portions of said quarter section held by the Crown in the right of the Dominion of Canada.

I, CLIFFORD IRWIN ALTON, of Fort Saskatchewan, in the Province of Alberta, Farmer, make oath and say:

1. That I am registered as owner of all that portion of the South West Quarter of Section Seventeen (17) in Township Fifty-four (54), Range Twenty-one (21), west of the fourth Meridian, in the Province of Alberta, which is not covered by any of the waters of certain surveyed lakes as shown upon a map or plan of survey of the said Township approved and confirmed at Ottawa on the Eighteenth day of June, A. D. 1884, by Edward Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; Containing by admeasurement one Hundred (100) acres, more or less; Excepting thereout all well.
 2. That I personally reside on and operate the land above described as my farm.
 3. That the North west Quarter of Legal Subdivision Three (3) of said Quarter Section is wholly and permanently dry and free from water except in the Spring-time when some water flows thereon and accumulates, which water, however, totally disappears in Summer-time by being absorbed in the ground.
 4. That on the North west Quarter of Subdivision Five (5) of said Quarter Section there still exists about one and one-half (1 1/2) acre of a slough or pond in a season of normal rains, the depth of water lying thereon being of an average depth of six inches.
 5. That water still lies on the South west Quarter of Legal Subdivision Three (3) of said Quarter Section to the extent of about One (1) acre, which water is held in a hollow and extends across the surveyed roadway between the said Quarter Section and the Quarter Section immediately adjoining on the South, the water extending also on said last mentioned Quarter Section.
 6. That except as aforesaid the said Quarter Section is wholly and permanently dry.
 7. That the foregoing statements are made by me for the purpose of the purchase by me from the Crown of the remaining acreage of said Quarter Section.
- SWORN before me at the town of Fort Saskatchewan, in the Province of Alberta, this ninth day of September, A. D. 1920.

OTTAWA, 7th March, 1927.

Memorandum:

Application of Messrs. Corbett & Harver on behalf of Clifford I. Alton to purchase the unpatented portion of the S.E. 1/4 of Section 17, Township 21, Range 21, West of the 4th Meridian. Containing 39 acres. Shown on the Surveyor General's sketch colored red.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records and the applicant claims ownership of the patented portion of this quarter section, which was patented to the Canadian Pacific Railway in 1901.

The Land Office, Admiralty and Railway Lands Branch offers no objection to the disposal of the land in question.

The applicant has also filed here an affidavit setting forth that there is very little water on the land.

The Surveyor General on the 19th ultimo, stated that aerial photographs taken in the vicinity show a few acres of water area in this quarter section thus confirming the Homestead Inspector's report quoted below. The water areas are therefore being classified as low land liable to flooding.

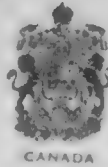

The Inspector in his report hereunder, states:

"This land is inclosed and used by the applicant and he pays school taxes on same. There is about one acre of shallow water on this land not more than six inches deep. The area was all dry most of the seasons of 1923-24 and 1924. The 10 acres given in its marsh land was soft or sparry during past following to excessive rain and snow fall. I believe the land may be considered as having become permanently dry except for short periods in wet seasons. I believe the applicant should be allowed to purchase same and a fair price would be nine dollars per acre."

Controller.

It is represented these lands are only fit for grazing purposes, and were taken under homestead entry to be used for summer camps.

Would you kindly let me have a statement as to the standing of each quarter section and what the records show with respect to the character of the lands.

Acting Commissioner.

Handwritten text, possibly a signature or name, located in the lower right quadrant of the page.

Clarence A. Proctor, entry granted - 3th September, 1926.
Inspector Tomlinson's report made in October 1926, reads: "The
ghost river enters through this section, the land is very
rough and rocky and covered in brush, neither soil nor timber
of merchantable value; the land is unsuitable for agricul-
tural purposes and will not carry the required amount of
stock for which homestead, only suitable for stock raising
purposes."

When applying for entry Mr. Proctor
presented a declaration similar to the one which refers to his
homestead. He was granted the privilege of substitution after
but only after made in October 1926, showed that he was
of compliance with the stock regulations and he failed to
reply to the Departmental communication. Substitution were
instituted against this entry on the 12th June last. No defense
was filed and the land has been sold for a report.

Mr. Harrison, entry granted - 12th March, 1926. - John A.
report made in October 1926, reads: "When roller land covered
in thick brush, grass and small timber of no merchantable
value; the land is unsuitable for agricultural purposes and
would not carry the required amount of stock for which home-
stead, only suitable for grazing lease purposes."

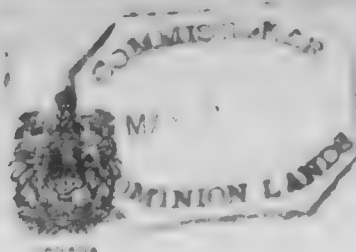

Mr. Harrison filed the usual declaration
conforming to sample with the stock regulations. However, he
has failed to file a return. Cancellation proceedings were
instituted against this entry on the 12th March last on behalf
of the applicant on the grounds of dereliction of duty.
No record of reference.

It will be noted that cancellation proceed-
ings are outstanding against the entries for three of the
four sections and the Agent has called for three of the
report in connection with two, the homestead and Inspector's
entries of Clarence A. Proctor. It is suggested that the
Inspector be required to furnish reports, at the same time, on
the other two sections.

S.W. 1/4 7-27-6-W. 5th Meridian.

In his memorandum of the 25th ultimo, hereunder, the Acting Commissioner requests a report on the above lands stating that it has been represented that these lands are fit only for grazing purposes and were taken under homestead entry to be used for summer camps. The lands are located on the Ghost River about forty miles west of Calgary.

N.E. 1/4 6-27-6-W. 5th M., N.W. 1/4 6-27-6-W. 5th M., entry granted - 1st September, 1921. Inspector Tempany in a report made in October 1922, states: "The Ghost River runs through this land, very rough with cutbanks and cedars, covered in scrub and brush; the land is unsuitable for agricultural purposes and would not carry the required amount of stock for a stock homestead, only suitable for grazing lease purposes."

When applying for entry Mr. Watson executed a declaration to the effect that he was aware of the Inspector's report but that he had made a personal inspection and was of the opinion that the land was suitable for his requirements as a stock homestead and he would undertake to comply strictly with the regulations. There are no cancellation proceedings against this entry.

N.W. 1/4 6-27-6-W. 5th M., N.W. 1/4 6-27-6-W. 5th M., entry granted - 5th September, 1921. Inspector

Tempany's report on the above land made in October 1922, reads: "Very rough rolling land with the Ghost River running through it, cutbanks and cedars and covered in brush and scrub, the land is unsuitable for agricultural purposes and would not carry the required amount of stock for a stock homestead; only suitable for grazing lease purposes."

When applying for entry Mr. Proctor executed a declaration similar to that of Mr. Watson's. He was granted the privilege of substituting stock but he has never filed a return on form 17 and cancellation proceedings were instituted on the 25th June last on behalf of the Department. There is no record of a defence and the Agent has called for an Inspector's report.

In reply to Mr. Lynch's memorandum of the 2nd instant, on File #4763645, herewith, the Agent should be instructed to furnish an immediate report in connection with the North East quarter of Section 6, Township 27, Range 6, West of the 5th Meridian and if it is shown the duties are in default, the entry should be made the subject of cancellation proceedings on behalf of the Department.

In addition to the usual information, the reports on the three quarter sections should give full particulars regarding the character of the lands and for what purpose they are best adapted. No further disposition should be made of the lands pending receipt and consideration of the Inspector's reports.

With respect to the South West quarter of Section 7, Township 27, Range 6, West of the 5th Meridian, in the event of cancellation of the entry being carried out, the applicant for inspection will require to be given prior right of entry. However, should he fail to take advantage of the privilege offered, the Agent should report as to the character of the land, and no disposition is to be made thereof without instructions from the Department.

Please advise Mr. McDonald accordingly, and that no action will be taken to dispose of these lands other than as above set forth until consideration has been given by the Department to the Homestead Inspector's reports with respect to the character of the land.

Referring to the attached copy of a letter to Mr. W.P. McDonald, it is noted that cancellation proceedings are already outstanding against the entries of Clarence S. Proctor for the N.S. 1/4 6 and the S.E. 1/4 7-27-6-W. 5th Meridian, and you have called for Inspector's reports on these lands. A report should be secured also in connection with the N.S. 1/4 6-27-6-W. 5th Meridian, and if it is shown that the duties are in default, the entry should be made the subject of cancellation proceedings on behalf of the Department.

In addition to the usual information, the reports on the three quarter-sections should give full particulars regarding the character of the lands and the purpose for which they are best adapted. No further disposition should be made of the lands pending the receipt and consideration of the Inspector's reports.

With regard to the S.E. 1/4 7-27-6-W. 5th Meridian, in the event of cancellation, the applicant for inspection will require to be given prior right of entry. Should he fail to make entry, a report should be secured as to the character of the land and no disposition made of the same without instructions from this office.

Of the Indian Affairs Commission,
Calgary, Alberta, 12th August, 1900.
The following instructions are hereby
issued to the Indian Affairs Commission,
Calgary, Alberta, 12th August, 1900.
The Indian Affairs Commission,
Calgary, Alberta, 12th August, 1900.

to give it in the time at his disposal.

In connection with the proposed subdivision and reservation for recreation grounds, the Inspector calls attention to the necessity for making provision whereby the old Indian trail leading to a splendid ford with accessible flats on either side of the Ghost river where that river runs through the North West quarter of Section 6, Township 27, Range 6, West of the 5th Meridian, should be preserved as a means of access to the river for the use of visitors to the locality.

As Inspector Helmer points out the matter will bear further investigation. Mr. Martin as a former resident of Alberta may conceivably have some knowledge of conditions locally, in which case the Department will have the benefit of his views. On the other hand there would seem to be good grounds for consulting local opinion more fully, and with this end in view Mr. Matheson might look into the matter and consult the municipal authorities who may feel disposed to take it up on behalf of the ratepayers of the district. The authorities in Calgary may also have some representations to make on behalf of transient visitors, and they also might be consulted.

However, the fact should not be lost sight of that under the Order in Council of the 29th June, 1922, P.C.1364, as amended, the disposal of Dominion Lands for recreation purposes is limited to an area of eighty acres or less, but if it is considered expedient to set apart an area in excess of eighty acres - the necessity for which remains to be demonstrated - the situation can be met by a special Order in Council.

Another method which might be suggested would be transference of the land to the Province by way of a lease with an habendum clause restricting the use of the land for recreation purposes. This would have the advantage of relieving the Federal authorities of the expense of a subdivisional survey to take care of the cottagers.

I may add that Mr. D. P. McDonald of Cochrane, Alberta, wrote the late Mr. Greenway on the 10th April last in reference to this whole matter and stated that in his opinion the lands held under entry by Messrs. Morrison, Proctor and Watson were not of a class suitable for agricultural purposes; that they are business men living in the city of Calgary and have made entry for the purpose of a summer camp whereat to spend the week-ends. He also stated that his principal reason for bringing the matter up was to call attention to the fact that settlers of this kind are detrimental to old timers in the district in that stock-men are deprived of much needed range and if these representations bear any weight the reservation for recreation grounds should be limited to meet actual requirements.

reserved for grazing only and Mr. Watson in making application for entry furnished a declaration in which he undertook to live up to the requirements.

Inspector Helmer reported on the 26th May last to the effect that there was no one in residence and that Mr. Watson had no improvements with the exception of a log house, 22½ x 23, with a shingled roof and porch, valued at \$500.00, apparently used as a summer home for the family, and also 600 feet of 3 wire fence valued at \$20.00. In the event of cancellation the Inspector recommended that the land be withdrawn from the settlement and reserved for grazing purposes under lease from the Department.

Cancellation proceedings were instituted on the 13th June last on behalf of the Department on the grounds of default in duties and the local Agent, who was instructed to reserve the land should the entry have been cancelled, has now reported that no defence has been filed and under the circumstances will be in order for the Department to authorize cancellation.

In connection with the North East quarter of Section 6 and the South East quarter of Section 7, Township 27, Range 6, West of the 5th Meridian, Inspector Helmer in his general report of the 31st July last makes the following remarks:-

"..... (these quarters) were looked over by me at the time that the inspection of Mr. Morrison's quarter was made and my comments at this time on the Morrison claim apply equally to those quarters which have been entered for and improved by placing buildings, used, as far as I can learn, for summer camping places. These three quarters should, in my opinion, be handled in one and the same way."

Inspector Helmer does not make any mention of the North West quarter of Section 6, Township 27, Range 6, West of the 5th Meridian, in his general report now under consideration but the Deputy Minister in his memorandum of the 17th instant apparently wishes to deal with this quarter-section also in conjunction with the other three quarters, all of which are plotted on the township plan and on the blue print attached, besides which the general location of the land with regard to its proximity to the city of Calgary, is shown on the sectional sheet. In regard to this feature of the case Inspector Helmer reports that the land is accessible from Calgary and may be reached in a few hours by automobile, that the locality is one of the beauty spots and that excellent trout fishing may be obtained in the Ghost river. For these reasons he is opposed to the disposal of the lands to private owners as affording them an opportunity to "milk the public."

Attention is also called to the hydro-electric development of the Calgary Power Company below the confluence of the Ghost and Bow rivers which, if projected, will have the effect of creating a lake which will furnish good boating facilities, and further increase the desirability of these lands as recreation grounds.

Inspector Helmer recommends that it might be desirable to subdivide a portion of the land for disposal by allotment with a river frontage, and the reservation of a further area as a public camping ground with access to the water for the convenience of transient visitors, but he points out that the whole question requires more extensive study than he has been

and Milliean, Barristers of Calgary, called on Mr. Martin in the month of July last in reference to the desire of Mr. Morrison to purchase his homestead, in which connection Mr. Morrison himself wrote the Department under date of the 6th July. Mr. Martin wrote the Acting Agent of Dominion Lands at Calgary on the 17th July last instructing him to procure a recommendation from Mr. Helmer as to the advisability of permitting Mr. Morrison to acquire the quarter-section by sale in lieu of performance of duties, or as an alternative, to allow him to purchase the portion of the quarter-section upon which his buildings are located.

The following is taken from Mr. Helmer's report in this connection:-

"I do not think that all of this quarter-section should be sold to any one person. I am further of the opinion that Mr. Morrison's requirements can be fully met by either selling or leasing to him, preferably by a long term lease, the land on which his building stands of sufficient area for his family."

Homestead.
S.E. 1/4 7-27-6-W.5th M.
Soldier Grant.
Entries of Clarence E. Proctor.
Granted 6th September, 1924.

This half-section was posted for leasing only in April 1923, the action being similar to that taken in the case of the Morrison homestead, and in support of his application for entry Mr. Proctor made a similar declaration namely, that if granted entry he was prepared to complete the duties for the earning of patent.

Cancellation proceedings were instituted against these entries on the 29th June, 1927, on behalf of the Department for failure on the part of Mr. Proctor to furnish the required annual stock returns. No defence was filed and the Inspector reported on accordingly last that Mr. Proctor had no improvements with the exception of a house on his homestead which is described as a log building, 14 1/2 x 20 1/2, with a shingled roof and porch, valued at \$250.00 and used as a week-end, summer camp. The Inspector further stated that the land was not suitable for agricultural purposes or for a stock homestead and recommended that in the event of cancellation the land should be reserved for grazing purposes.

On the 30th July last Mr. Proctor was communicated with at Red Deer, Alberta, and granted thirty days' final notice from that date within which to satisfy the local Agent that he was complying with the regulations, failing which his entries would be summarily cancelled, and the Agent has been instructed in the meantime that if this action ensues disposition of the land should be withheld pending further instructions.

Homestead - William L. Watson.
Entry Granted 3rd September, 1924.
This quarter-section, like the others, was originally

Ottawa, 25th August, 1928.

Memorandum.

Mr. Perrin.

The Deputy Minister has called for a report in reference to a communication from Mr. R. A. Gibson, dated at Calgary the 1st instant, covering copy of a report of Inspector Helmer, the original of which has since been forwarded by the Agent of Dominion Lands at Calgary.

In this connection Mr. Martin has asked for an immediate statement.

The correspondence relates to the apparent necessity for a subdivision of four quarter-sections, or parts thereof, as a summer resort and recreation grounds.

The following is a statement of the standing of the quarter-sections concerned:-

1. S.W. 1/4 7-27-6-W. 5th M.
Homestead - John Alexander Morrison.
Entry granted 2nd March, 1926.

This land was formerly in Area "B", and reserved for grazing purposes only as being unsuitable for settlement.

However, in applying for entry on the 2nd March, 1926, Mr. Morrison executed the following declaration:-

"I am aware that a Homestead Inspector has reported that the above mentioned land is only suitable for grazing but I have made a personal inspection of same and I am of the opinion that it is suitable for my requirement as a stock homestead, and I will undertake to comply strictly with the regulations if granted entry."

Cancellation proceedings were instituted on the 24th March, 1928, on behalf of one, Charles Pedepat, on the grounds of default in duties, and Mr. Morrison has submitted a defence, dated the 22nd May, 1928, in which he claims two terms of residence - May to December, 1926, and January to October, 1927, - partly on the homestead and purchased land in Township 26, Range 5, West of the 5th Meridian. Having been allowed to substitute livestock for cultivation, Mr. Morrison claimed to be the owner of eight head of horses which, he declared, were maintained on his homestead in 1926.

Inspector Helmer reported on the 26th May, 1928, to the effect that Mr. Morrison was not in residence and that he had no improvements with the exception of a log house, 18x30, with a shingled roof and porch front, valued at \$475.00 - evidently used as a week-end and summer camp. The Inspector further recommended that in the event of cancellation the land should be reserved for leasing under the grazing regulations.

MEMORANDUM:

N.E. $\frac{1}{4}$ 6 and S. $\frac{1}{4}$ 7, Tp. 27,
Rge. 6, W. 5th Mer.

I assume that the question of reserving all or any portions of these sections for recreational purposes will be dealt with by the Ordinance Lands Branch. This being the case I suppose that all this Branch has to deal with is the question of settlement duties.

It would appear from the evidence on file that the duties in connection with the entries for the North-East quarter of Section 6 and the South half of Section 7, Township 27, Range 6, West 5th Meridian, (the lands mentioned in the Deputy Minister's memorandum dated the 17th instant) are badly in default, therefore, if thought advisable these entries could now be cancelled. You will note that Mr. Morrison is the only one who has filed a defence. No protests have been received from Messrs. Procter and Watson in connection with the cancellation proceedings instituted against their entries.

Respectfully submitted,

J.W. Martin, Esq.,
Acting Commissioner of Dominion Lands,

I beg to inform you that the Department has under consideration the disposal of the land above mentioned for recreation and summer resort purposes, concerning which I enclose herewith a copy of a report prepared by Inspector Helmer on the 31st July last.

As Inspector Helmer rightly points out, the matter will bear further investigation and with this end in view it is desired that you should go into the question personally.

There would appear to be good grounds for consulting local opinion more fully and your investigation might, therefore, follow the course of interviewing the authorities in Calgary who may have some representations to make on behalf of transient visitors, and also the Municipal authorities, who may be disposed to take up the question of a reservation on behalf of the ratepayers of the district.

However, before submitting your report in this connection it is desired that you should consult Mr. D. F. McDonald of Cochrane, Alberta, who is interested in the matter from the ranching standpoint.

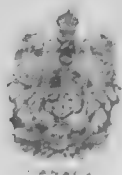

It would be advisable to avail yourself of the services of Inspector Helmer in making your investigation, and the Department will be glad to have your considered report as soon as conveniently possible.

With reference to the above, I have a report

and I have the honor to acknowledge the receipt
of the same, and to inform you that the same
has been forwarded to the Hon. Mr. Justice.

"Required number of stock for a stock homestead.
"There is very little grass to be seen even in
"the best season, the ground cover being mostly
"mountain growth of plants such as winter-green.
"and green berries not grazed by domestic stock.
"The land is located in a mountainous region. This
"land even for grazing purposes is of very low value.
"In the event of this entry being cancelled
"I would recommend that no further homestead entries
"be granted but I am of the opinion that this land
"should be reserved for applications for grazing."

Cancellation proceedings were instituted against
this entry by the Agent on the 18th June, 1916.

On the 14th September, 1916, the Agent was
instructed to cancel the entry of Mr. Nathan as he was
of no value to the country. The Agent was also to advise
Mr. Nathan that the portion of the 111 acre of the land was
required for the construction of the Government and that he
would be further advised in the future.

In September, 1916, Mr. Nathan was advised
that the Department had under consideration the purchase of
the N. 1/4 and S. 1/4 T. 111 N. 10 E. for recreation and summer
resort purposes, and requested to investigate and furnish a
report.

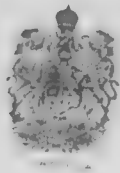

In January, 1917, Mr. Nathan furnished a
preliminary report and he was requested to make a further
investigation some time in September and then to be available
to be in Calgary, again.

The further report has not been received from
Mr. Nathan.

Mr. Perrin.

A.L.S. 6-11-6-2. 10:1.
Cancelled homestead entry of
Mr. W.L. Watson.
Date of entry - 3rd September, 1914.
Date of cancellation - 10th September, 1918.

The Assistant Deputy Minister has called for a report on the letter of the 10th October last from W.L. Watson.

Mr. Watson, in applying for entry for this land, furnished a declaration that he was aware a Homestead Inspector had reported that the land is only suitable for grazing purposes and that he had made a personal inspection of same and was of the opinion that it was suitable for his requirement as a stock homestead and he would undertake to comply strictly with the regulations if granted entry.

He was granted entry on the 3rd September, 1914, and was given permission to substitute stock for cultivation.

On the 10th April, 1918, A.L.S. 6-11-6-2, of Edmonton, Alberta, represented to the Department that the A.L.S. 6-11-6-2 and 7-11-6-7, 3th M. were only fit for grazing purposes and were taken under homestead entry to be used for summer camps. In view of this, a Homestead Inspector was instructed to furnish a report.

On the 10th May, 1918, Inspector Holmes reported on the A.L.S. 6 as follows:-

"No person in residence at time of my visit or any evidence of very recent occupation."

The following improvements:- house, value \$200.00. "This place is well built for what apparently has been its use, a week-end and summer home for the family."

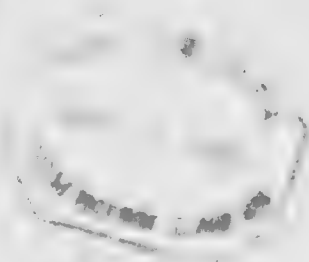

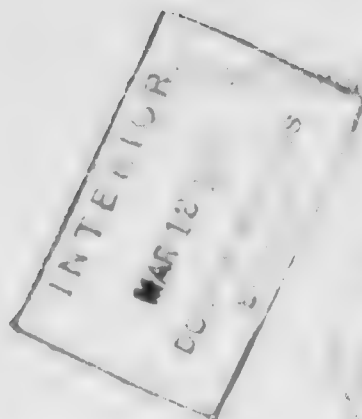

and 100 ft. of three wire fence, partly out of repair, value \$10.00. The applicant has not been running any stock."

In his general remarks the Inspector stated:-

"I consider this land unfit for agricultural purposes and for a stock homestead. The land is rough in places, rock, heavy brush covered with timber, mostly aspen poplar with some spruce and jack pine of no merchantable value. None of the opinion that this land would not carry the

Mr. Martin.

Re H. J. 6)
P. J. 7) 27 - 6 - 1.50 M.

You have asked for a report in reference to a communication from Mr. H. Matheson in which he discusses the question of the disposal of the land above mentioned. Your reference is 4904.

The subject matter under consideration relates to the question of subdividing the four quarter-sections referred to or parts thereof, as a summer resort and recreation ground, and full details were embodied in my report of the 26th August, 1928, marked, on file no. 4763653.

I believe you are thoroughly familiar with the facts, and Mr. Matheson suggests that in view of the impending return of the Natural Resources the matter be left in abeyance for consideration by the Government of Alberta after the 1st October next. Inasmuch as Mr. Matheson states that considerable additional improvements have been made on the land by the various summer residents - which matter would, if necessary, involve further investigation - I concur in Mr. Matheson's recommendation for a stay of action and submit the matter for your instructions accordingly.

21st January, 1921.

Sir,

No North half 6)
South half 7) 27-6-18th ser.

I have your letter of the 14th instant, requesting to be furnished with a synopsis of the papers relating to the S.E. 1/4 7-27-6-18th ser., in pursuance of representations made to your Department regarding disposition thereof.

I may say, in reply, that in August, 1920, an officer of the Department, while in Calgary, submitted representations to the effect that it might be advisable to reserve the S.E. 1/4 6 and the S.E. 1/4 7-27-6-18th ser., in the public interest. In support of this contention an interim report was submitted by Mr. Albert Schuler, Supervisor of Grazing.

Representations along similar lines were made subsequently by Mr. J. A. McManis of Calgary, Alberta, who, however, included the S.E. 1/4 6-27-6-18th ser., in his recommendation for reservation of the land for grazing purposes.

The whole question was carefully considered and it was decided to place the matter in the hands of the late Mr. J. A. McManis of Edmonton for enquiry, but owing to pressure of other of his official activities, and illness, it was not found possible to conclude his investigations prior to the transfer of the Federal Government.

Mr. Harold Millican, Barrister of Calgary, is interested in obtaining recognition of the claim of his client, Mr. J. A. McManis in respect to the S.E. 1/4 7-27-6-18th ser., concerning which he wrote you personally on the 2nd November last.

Under date of the 6th December the Department advised Mr. Millican that in view of the transfer of the Federal Government the matter of the disposal of the land was now for consideration by the Government of Alberta.

Director of Lands,
Department of Lands and Mines,

W. J. REID
LOCAL CHAIRMAN

JARVIE. April 17th 1923

Mr. P. P. Dunne
Superintendent
Railway Lands Division
Ottawa Ont.

Dear Sir :-

I received a letter from the Agent Dominion Lands Edmonton advising that lots 16 and 17 in Block 3 Jarvie Townsite purchased by me for my children would not now be allowed them as a result of advice from your office that lots could not be purchased for minors.

It is very difficult for one to know just what to do in order to secure lots.

On Feb'y 10th I read a wire from this Agent stating that only one lot would be sold each individual, yet McLeod and Hoyle Co were allowed to purchase two, J Ledger and H P Newnham also were granted the same privileges and lots 18 and 19 in block three were held for Mrs Hoyle on account of her promise some time ago to move her residence to lot 19, and lot 18 on account of having a well on same.

Had I been granted the same privilege that others have I would have purchased lots 14 and 15 for myself and lots 16 and 17 for my wife, as I need these for the business I wish to take up, but it seems the whole matter is now bulled up.

I want lots 14, 15, 16 and 17 for myself and wife if it is not permissible for me to purchase same for my children. It is a pretty late date now to advise me regarding this as I have gone to the expense of getting out posts for fencing and have paid a man in advance to clear and put these lots in shape, and I think as the trouble was caused in your Dept that I should be allowed to obtain same.

I was largely instrumental in having this townsite opened as I wished to secure a business location, and think should be entitled to some consideration.

Would like to hear from you re this matter. I might say I have written to the Agent Edmonton stating my wish to secure the lots mentioned in my wife's and my own name, and that the money paid in be retained.

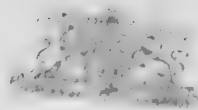

The season is now here when the man I have engaged can get on the land, and I wish to get it in shape. Thanking you for a prompt reply, by wire if necessary.

Yours truly

W. J. Reid

Dear Sir :-

Jarvie Townsite.

Mr Ledger will make payment on these lots in the
course of a few days, and will have the final payment made on time.
This man has been very unfortunate in that he
is practically an Invalid as a result of his service overseas, and
to add to his misfortune both he and his wife are at this time
confined to a hospital in Edmonton as a result of injuries received
in a runaway accident two weeks ago.
Under the circumstances I would feel it would be
fair to allow them every opportunity to settle for their land, and
trust you will so arrange matters for them.

Thanking you I am,

Deputy Minister,

Sir:-

I am instructed by Mr. G.F.W. Wetherall of Tees, Alberta, to write you regarding the situation outlined hereunder and to request that your Department inform me as to what procedure, if any, can be taken to protect Mr. Wetherall.

Mr. Wetherall purchased from the Canadian Pacific Railway Company those portions of the South West and North West quarters of Section Five (4), in Township Forty-one (41) of Range Twenty-two (22), West of the Fourth Meridian, in the Province of Alberta lying to the North of Spotted Lake. At the time of his purchase this gave him all land included in the two quarter sections as the lake then covered the remainder. Since that time the Lake has dried up to such an extent that the greater part of the bed is exposed. Permits have been granted for the setting of hay from these unclaimed portion and the natural result is that Mr. Wetherall is now unable to determine where his land boundaries lie and he finds that the permit holders encroach on him and he on them without any fault on either side. He would be quite prepared to either lease the whole bed or to purchase it at a reasonable figure. Possibly your Department, in view of the facts could after an inspection declare the lake bed reclaimed land and allow Mr. Wetherall to purchase the same by way of pre-emption. The actual land owned by him is 4.25 acres.

If your Department find that you could neither lease nor sell I would think that in fairness to Mr. Wetherall, he should be entitled to a priority in respect of any permit granted. I would appreciate your reply in due course and.

I have the honor to remain,

Your obedient servant,

(Sd) T. J. McKenty.

In his return of the 18th February, 1923, The Agent of Dominion Lands, Edmonton, reported the sale of lots 14 and 15, Block 3, Townsite of Jarvis, to W.J. Reid, Senior, and W.J. Reid, Junior, respectively, and in his return of the 2nd idem reported the sale of lots 16 and 17 of the same block to Mary Reid and Ellen Reid, respectively, each of the lots having been posted in our records as a separate sale.

On the 31st ultimo, the Agent reports a payment of \$118.99 to be applied to Mr. W.J. Reid's purchase of lots 14 and 15, and a payment of \$13.33 to be applied to Mrs. Ellen M. Reid's purchase of lots 16 and 17.

Kindly look into the matter and advise this branch in whose name or names the sale of these lots should be recorded.

Memorandum:

Mr. Caldwell,
Land Patents Branch.

Re Lots 14, 15, 16 and 17, Block 3,
Townsite of Jarvis, Alta.

With reference to your memo of the 29th ultimo, relative to the above mentioned lots, I would advise you that according to our records lots 14 and 15, above mentioned, stand as a time sale in the name of Mr. W. J. Reid, Senior. We have no knowledge of a W.J. Reid, Junior. Lots 16 and 17, stand as a time sale in the name of Mrs. Ellen M. Reid.

On the 21st February, 1923, the Agent forwarded an application made by Mr. Reid to purchase said lots 16 and 17, in the name of his two children, Mary and Ellen. The Agent on the 4th April was advised that it was not the practice of the Department to sell lots in Government Townsites to Minors.

On the 17th April, 1923, Mr. Reid wrote the Department in part as follows:-

"As it now appears I will not be able to have them for my children, I wish to secure lots 16 and 17 for my wife, Mrs. E. M. Reid and to safeguard against anything further have lots 15 and 14 for myself."

These lots should, therefore, stand respectively in the names of Mr. and Mrs. Reid as aforementioned.

DOMINION LANDS ADMINISTRATION

21st April, 1928.

MEMORANDUM:

Mr. Perrin.

S.E. 27-42-8-W.5th Meridian.
Soldier grant - William Ernest Mooney.
Entry granted - 7th May, 1923.

Application to have patent for this
land vested in the Soldier Settlement
Board under the Order-in-Council of
the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from
the Soldier Settlement Board amounting to \$2735.00 for stock,
equipment and permanent improvements. The Board holds no
other land security.

The entrant has applied for patent claiming
duties as shown on form 584 hereunder. Apparently the duties
have been performed in a satisfactory manner and the application
has been accepted, but in view of the above mentioned loan he
was advised that patent could not issue in his name until his
indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 16th
instant, the Soldier Settlement Board reports the receipt of an
application from the entrant to have patent for this land issued
in favour of the Board and it is pointed out in this memorandum
that this would enable the entrant to negotiate a sale of the
land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the
settler is residing on the land.

It is suggested that the necessary action be
taken to have patent for this land issue in the name of the
Board.

Dear Sir

Re the NE $\frac{1}{4}$ of Section
36-73-12 W 5th The biggest
part of that $\frac{1}{4}$ is on the north side
of the Driftpile River and a small
part of it on the south side joining
the north of my homestead
There is only about 134 acres in
my Homestead and there is an acre
or two of that across the river ^{perhaps a street}
How about the part of NE $\frac{1}{4}$ Section
30 South side of the river and joining
me am I intitled to make applica-
tion for it If so how many acres
is there in it and how much an
acre of the Driftpile River is
impossible at this place + and to go

other side making 7 miles one way

6th June, 1929.

Sir:-

Adverting to your application to purchase the fractional S.E. $\frac{1}{4}$ of Section 28, Township 54, Range 3, West of the 4th Meridian, lying North East of the river, I beg to advise you that it has been decided to permit you to purchase the area containing 36.9 acres at the rate of \$5.00 per acre.

The agreement for sale under which you purchased the patented portion from the Canadian Pacific Railway Company should be forwarded to this office for examination.

Patent for the area which you are being allowed to purchase cannot issue, however, until you are in a position to file with the Department evidence either in the form of an abstract of title or duplicate certificate of title that you have become the registered owner of the S.E. $\frac{1}{4}$ of Section 33, Township 54, Range 3, West of the 4th Meridian.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Edmonton, to whom a copy of this letter is being sent for his information, on or before the 31st July next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments will be subject to interest at the rate of 7% per annum.

Should a further survey be made of the parcel in question before the issue of patent the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right-of-way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

The 2nd day of June, 1923, I filed an application with the

OTTAWA, 29th October, 1928.

Sir:

With further reference to your application to purchase that portion of the ... of Section 28, Township 14, Range 3, East of the 4th Meridian, lying south west of the river, I beg to inform you that the report called for in connection therewith has been received, and it has been decided to permit you to purchase the parcel in question containing 66.4 acres at the rate of \$4.50 an acre.

The sale will be subject to your owning title to your homestead, and should, therefore, your entry be cancelled for nonfulfilment of the homestead conditions, any money paid on account of the purchase will be forfeited to the Crown.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Montreal, to whom a copy of this letter is being sent for his information, on or before the 1st December next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6 per annum. On any overdue instalments, however, the interest to be charged will be at the rate of 7 per annum.

I may add that the sale of the said land will be subject, prior to the issue of letters patent therefor, to the right of the Province of Alberta to take for road purposes without compensation, such lands as may be required, not to exceed two and one-half per cent of the total area; and also to take, without compensation, such lands as may be required for right of way in connection with drainage projects, not to exceed one per cent of the total area. In the event of a deduction in area being made for either or both of the above mentioned purposes, your account will be adjusted accordingly.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 28th August 1923 the S.R. 14 of Section 36 Township 16 Range 30 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

(1) On the day above mentioned, that is on the morning of the 28th Aug. 1923 (Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 29th Aug. 1923 (Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 30th Aug. 1923 (Entry in person or by proxy.)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.
The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of its valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: \$
If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonorably discharged from such force, or has been permitted to honorably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who:—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry, or of commencement of residence on the adjoining land, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinafter described, has not been first entered for by an adjoining settler on the first day on which such land becomes available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Mr. B.L. York,
Rider and Grazing, Land Branch.

Re Fractional Section 36-16-33-4th R.

Referring to your memorandum of the 11th February last, file 612787, I beg to inform you that the reservation of the fractional south half of this section for Dipping Vat purposes was withdrawn, and by Head Office letter of the 6th April, 1923, copy attached, the Agent of Dominion Lands at Calgary was instructed to make the land available for entry.

Regarding the fractional North half of the section, I may say that the reservation for stock watering purposes was withdrawn by Order in Council of the 25th August, 1923 (S.C. No. 1667) - copy attached, and the local agent was furnished with instructions on the 17th October following, to post the land as available for settlement.

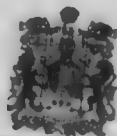

Charles Crowe, a returned soldier, on the 27th August, 1923, obtained soldier grant entry for the south west quarter, and on the 5th November, 1923, homestead entry for the North west quarter of section 36 aforesaid.

The disposal of the fractional east half of the section is now under consideration. Mr. Crowe has applied to purchase this land in conjunction with his homestead and soldier grant. Mr. Norman E. Brown, owner of the North west quarter of section 36, Township 16, Range 1, east of the 5th Meridian, west of the fraction, has applied to purchase the fractional North west quarter, and his son, Byron E. Brown, to homestead the fractional south west quarter. The latter has been investigated by Inspector J. H. Clossky, who has submitted a recommendation with his report herein, and the matter is now being dealt with by the Land Agents Branch under the regulations governing the disposal by sale of fractional areas.

I understand that the general condition for P being \mathcal{L} -representable is that the \mathcal{L} -extension $\text{proj}_{\mathcal{L}}(P)$ is representable. In our case, $\mathcal{L} = \text{proj}$ and $\text{proj}_{\mathcal{L}}(P)$ is the proj -extension of P , which is \mathcal{L} -representable as \mathcal{L} is a proj -category.

Memorandum, -

Referring to your memorandum of November 12, on file 4866002 herewith, the accompanying sketch shows the areas in the northwest quarter of Section 4, township 33-27-4 as they would have appeared on the official township plan dated May 4, 1921 if the lands had not been reported patented prior to the issue of the plan. The survey of the lake shown on this plan was made by J. B. St. Cyr, D.L.S. in 1913. The total area shown on the sketch is considerably larger than the area shown on the plan dated June 27, 1893.

It seems probable that the difference is due to an error in locating the lake in the original survey.

Dear Sir:-

I hereby make application to purchase the fractional of South East quarter of 15-56-19-W.4.M. which is still unpatented and which contains sixty acres more or less. This land was at the time of the original patent underwater but is now and has been for the past three years dry.

I homesteaded the North East quarter of 10-56-19-W.4M. and out of this land one acre was excepted on account of it being covered by part of the waters of Limestone Lake. This land is now also dry and should be patented to me as part of my homestead.

As soon as your Department passes on the above application will you kindly advise me the amount necessary to purchase the sixty acres above referred to.

With reference to your application on behalf of Mr. David McGall to purchase the formerly submerged portion of the South East quarter of section 15, township 56, range 19, west of the 4th meridian, I beg to inform you that the necessary action is being taken to obtain a report in the matter from an official of the Department and that upon the receipt here of such report you will be further advised.

Sir:

Re frac. S.E. 1/4 15-56-19 W. 4th M.

I beg to acknowledge receipt of your letter of the 1st ultimo, asking this Department to amend the patent granted to David McGall under fiat 489024, for the portion of the above mentioned quarter-section from which the waters of a surveyed lake had receded, by deleting from that patent the clause providing for the reservation of the surveyed road.

The road mentioned in your letter was not surveyed until after the patent was issued to the Canadian Pacific Railway Company for all that portion of the East half of the Section not covered by the lake, as shown on the township plan dated the 28th September, 1883; therefore, no portion of that road was reserved in that patent. The area mentioned in the patent was 224 acres, of which 100 acres are in the South East quarter of the Section, as shown on the township plan mentioned.

The plan of the road is dated the 14th December, 1901, and according to the plan only a small part of the road at the south boundary of the quarter-section falls within the 100-acre parcel which was patented to the Canadian Pacific Railway Company, whereas the remainder of the road containing 3.80 acres, according to calculation, lies within the portion of the quarter-section which was unpatented at that time and which accordingly remained in the Crown in the right of the Dominion until the patent of that portion was issued to Mr. McGall in 1929.

According to Section 4 of the Saskatchewan and Alberta Roads Act, this road became vested in the Province of Alberta upon the filing of the plan in the proper Land Titles Office, subject to the right of any person to whom a patent had been issued previous to such filing; therefore, this Department was bound by that Act to reserve the road when patenting the remaining portion of the quarter-section to Mr. McGall, and it was reserved by the words "excepting and reserving thereout, etc."

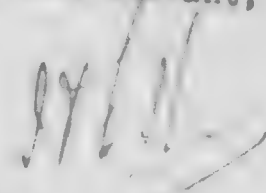

The total area of the quarter-section according to the measurements on the official plan of the

A.G. Stewart, Esq.,
Surveyor to the Land Titles Office,
Edmonton,
Alberta.

township

township mentioned in the patent to Mr. McGill is 158 acres, and as the area of the portion patented to the Canadian Pacific Railway Company is 100 acres, the area of the portion patented to Mr. McGill is 58 acres, less 3.20 acres for the area of the road in that portion, or a net area of 54.80 acres, as mentioned in the patent.

General Remarks.

" This man has been on lots 6, 7 and 15, Block 2 for forty years. He made application to the Treaty Commissioners for this land. Surveyor also took note of his improvements - his garden is on lots 7 and 15, Block 2. He wants this land as a free grant."

It is evident that Mr. Xavier Sawn might be entitled to a free grant of the land occupied by him at the date of the conclusion of the Indian Treaty in 1893, under the provisions of Section 76 of the Dominion Lands Act, which probably comprises all the south west quarter of section 30 including Carcajon Settlement. Therefore, I beg to recommend that the authority of the Governor in Council be obtained, sanctioning a free grant and the issue of letters patent for Lots 6, 7 and 15, Block 2, Carcajon Settlement, containing together .67 of an acre, and also of that portion of the S.W. $\frac{1}{4}$ of section 30-101-19-West 5th Meridian, lying outside of the settlement, comprising 69.20 acres, to Mr. Xavier Sawn, in view of his application made before the Treaty Commissioners in 1899.

The Deputy Minister:-

McLennan

Under the circumstances and in view of his application made before the Treaty Commissioners in 1899, recommend that the authority of the Governor in Council be obtained authorizing a free grant of lots 6, 7 and 15, Block 2, Carcajon Settlement, .67 of an acre and part of S.W. $\frac{1}{4}$ 30-101-19-W. 5th M., lying outside of the settlement, 69.20 acres, to the applicant, Xavier Sawn.

I say and that the said N.E. 1/4 of section 31, township 101, range 19, west of the 10th meridian, was recently thrown open to ordinary homestead entry to the first eligible applicant.

Memorandum:

(Hawa), 8th August, 1923.

K. R. Daly, Esq.,
Departmental Solicitor.

Lots 5, 6 and 7, Fort Smith Settlement-
Location of halfbreed scrip and
assignment.

Halfbreed land scrip notes issued to George Gibault and Joseph Hart were located on these lots and in accordance with the practice of the Department, by Richard Secord of Edmonton, in the names of the grantees of the scrip notes and the lots stand as follows:-

| | | |
|-------|-------------------------|-------------------|
| Lot 5 | A 10651 - 160 acres | - George Gibault. |
| Lot 6 | 1/2, A 10156 - 80 acres | - George Gibault. |
| | 1/2, A 10135 - 80 acres | - Joseph Hart. |
| Lot 7 | A 10630 - 160 acres | - Joseph Hart. |

Presumably, the halfbreeds assigned these lots to Richard Secord and I am sending these assignments to you for inspection and I would be glad if you would let me know if, in your opinion, they are satisfactory and are such as may properly be registered here.

I have noted the following points:- Hart Assignment - Residence and occupation of both parties omitted - Affidavit of execution is dated prior to the date of instrument - The name of the witness is Cumming, not Cummins as stated - Consideration not properly stated. Gibault-Hart Assignment - Lots 5 and 6 - Residence and occupation of three parties omitted - Consideration not stated properly - Hart did not sign at all - The name of the witness is Cumming, not Cummins as stated - Affidavit of execution is dated prior to the date of instrument - J. Halcrow, before whom affidavit of execution was sworn has not stated in what capacity he took this affidavit.

Apparently these halfbreeds cannot write as these instruments are signed by mark as were also the documents filed here in 1919, when these scrip notes were endorsed by the Department and made available for location by the holder thereof in the name of the halfbreed grantee. At that time Stanley T.C. Cumming was also a witness and the scrip notes were apparently sold to Horace Halcrow before whom the affidavit of execution in connection with these assignments was sworn. Ref. 226157 and 2253694.

In view of all the circumstances I think we should have further evidence as to the identity of these halfbreeds and that they actually assigned the lots.

Acting Controller.

A. H. Daly, Esq.,

Lots 5, 6 and 7, Fort Smith Settlement-
Location of halfbreed scrip and
assignment.

Halfbreed land scrip notes issued to George Sibault
and Joseph Hart were located on these lots and in accordance with
the practice of the Department, by Richard Record of Edmonton, in
the names of the grantees of the scrip notes and the lots stand
as follows:-

Lot 5 A 10651 - 160 acres - George Sibault.
Lot 6 .1/2, A 10156 - 80 acres - George Sibault.
Lot 7 .1/2, A 10135 - 80 acres - Joseph Hart.
A 10630 - 160 acres - Joseph Hart.

Presumably, the halfbreeds assigned these lots to
Richard Record and I am sending these assignments to you for
inspection and I would be glad if you would let me know if, in
your opinion, they are satisfactory and are such as may properly
be registered here.

I have noted the following points:- Part Assignment
Residence and occupation of both parties omitted - Affidavit of
execution is dated prior to the date of instrument - The name of
the witness is Cumming, not Cummins as stated - Consideration not
properly stated. Sibault-Hart Assignment - Lots 5 and 6 -
Residence and occupation of three parties omitted - Consideration
not stated properly - Hart did not sign at all - The name of the
witness is Cumming, not Cummins as stated - Affidavit of execution
is dated prior to the date of instrument - J. Halerow, before the
affidavit of execution was sworn was not stated in that capacity
he took this affidavit.

Apparently these halfbreeds cannot write as these
instruments are signed by mark as were also the documents filed
here in 1919, when these scrip notes were endorsed by the Depart-
ment and made available for location by the holder thereof in
the name of the halfbreed grantee. At that time Stanley T.C. Cumming
was also a witness and the scrip notes 22217, 22218, 22219, 22220, 22221, 22222, 22223, 22224, 22225, 22226, 22227, 22228, 22229, 22230, 22231, 22232, 22233, 22234, 22235, 22236, 22237, 22238, 22239, Winnipeg 17th August, 1922.

Sir:-

Lots 5, 6 & 7, Fort Smith Settlement.

I beg to acknowledge the receipt of your letter of the 14th ultimo, enclosing an assignment, in your favour, from George Sibley and Joseph Hart covering Lots 5 and 6, Fort Smith Settlement, and an assignment, also in your favour, from Joseph Hart covering Lot 7 in the same settlement together with registration fees amounting to \$6.00.

In reply I beg to inform you that these assignments in their present form do not satisfy me to the Department and cannot be accepted or registered and are therefore returned to you, herewith, for correction or amendment, which should be properly initialed.

With regard to the Hart assignment respecting Lot 7 it is noted that the residence and occupation of both parties has been omitted, the affidavit of execution is dated prior to the date of the instrument, the name of the witness is Cummin, not Cummins as given in the affidavit of execution, and the consideration has not been stated, the number of the lot and series note being given instead.

In connection with the Sibley-Hart assignment affecting Lots 5 & 6 it is noted that this assignment has not been signed by Hart or on his behalf, residence and occupation of the three parties has been omitted, the affidavit of execution is dated prior to the date of the instrument, the name of the witness is Cummin, not Cummins as given in the affidavit, the consideration has not been stated, the numbers of the lots and series notes being given instead, and R. Holroyd before whom the affidavit of execution was sworn has not stated in what capacity he took this affidavit.

Upon the receipt of satisfactory amendments to the question of the issue of patents for these lots in

favour of the assignees will receive attention, and in the meantime the sum of \$6.00, registration fees, will be retained here.

The lots referred to stand in the names of the H. I. Throeds, Joseph Hart and George Giboult, whose scrip notes were located thereon and as, no doubt, you are aware, patents may be issued forthwith in their favour should it be so desired.

Re Lot 35, Fitzgerald Settlement, Alberta.
Area 11.1 acres.

I beg to submit for your consideration the application of Mr. Arthur Pautel (Pautel) for the above mentioned lot.

The survey of this settlement was made to meet the requirements of the settlers at this point.

The extinguishment of the Indian title in this locality was completed in 1899 (Treaty No. 7).

In his letter of application, dated the 2th July last, addressed to the Agent of Dominion Lands at Edmonton, the applicant states that he has lived in rented houses in Fitzgerald for the last three years and that this was very unsatisfactory, that he has put up a house on this lot 10' x 20' and a small warehouse 10' x 20', as he is anxious to make a home for himself there. A copy of the plan of Fitzgerald Settlement is underneath in which Lot 35 has been outlined in red.

This lot is vacant and available for disposition to the applicant according to our records.

Under the provisions of the Order in Council passed on the 14th July 1913, the Minister was authorized to dispose of lots in the different northern settlements to the respective applicants therefor without such lots having been previously inspected and valued at a rate of not less than \$3.00 per acre.

I beg to recommend that Mr. Arthur Pautel (Pautel) be granted permission to purchase Lot 35 at the rate of \$5.00 per acre, as lots in this vicinity have been sold recently at the rates of \$3.00 and \$5.00 per acre.

Memorandum:N. O. Cott, Esq., I.S.O.,
Controller.

Application of Louis M. Benoit to purchase the Fractional S.E. of Section 12, Township 78, Range 20, west of the 5th Meridian, lying south west of the lake. Containing a net area of 28.34 acres. Shown on the sketch attached coloured green.

I beg to submit for your consideration the application above referred to. The land is included in Ranch 7975 held by the applicant, and in 1922, he obtained letters patent covering his homestead the N.E. of Section 1 adjoining, shown on the sketch outlined in red.

The Surveyor General reporting on Kimiwan Lake which affects the land in question states that it was surveyed in 1914 and reported to contain fresh water having a maximum depth of about 10 feet with a mud bottom. The shore was flat and surrounded by marsh averaging about four chains in width. The lake was classified as permanent having a bank liable to moderate variation. It is not likely to become dry so as to render the whole quarter section suitable for homesteading.

The Inspector reporting on this application states:-

"This fraction consisting approximately 20 acres is in my opinion of no value but to an adjoining settler. There is a large Beaver dam and with the exception of about 10 acres of hay land the balance is useless. The price of \$3.00 per acre is considered its maximum value and its disposal is recommended."

The applicant has filed here an unconditional relinquishment of his lease insofar as this fraction is concerned.

If a sale is authorized it will require to be subject to the applicant filing evidence of ownership of his homestead the said N.E. of Section 1.

The Deputy Minister,
has to Mr.
Benoit at \$3.00 an acre recommended.

Where the applicant is unable to subscribe to the statements in paragraphs (a), (b) and (c) of this Declaration, he is not to be granted entry, unless he produces special authority from the Soldier Settlement Board or the District Superintendent. Applicants who are unable to subscribe to paragraphs (a), (b) and (c) should therefore take them down with the District Superintendent of the Board, explaining on what grounds they are applying for special authority.

Sub-Section 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,—

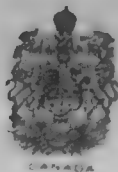

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land; or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars."

If the settler is unable to subscribe to the statements in paragraphs marked (a), (b) and (c) of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs (d) and (e) of the Declaration, the Soldier Settlement Board considers that as a rule a farm of 320 acres may be considered an average farm for the western provinces for the purposes of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has vested, possessory interest in agricultural land of an area amounting to a half section (320 acres more or less) the settler's application is not to be entertained, unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has vested, possessory interest in agricultural land the value of which is \$5,000, he should be deemed disqualified unless he has been specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purposes of the affidavit.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

MEMORANDUM:

Mr. Perrin.

S.W. 1/4 9-20-2-1.4th M.,
Pre-emption - Wm. Hampton, Jr.,
Entry Granted - May 20th, 1913.
Area "A".

The entrant made application for patent on the 13th September 1922 showing duties completed.

Payments due:

Principal \$480.00
Interest computed to the
1st November 1929 369.34

In May 1929 Inspector Bowyer reported that the entrant's address was not known and that all buildings had been removed off the pre-emption and the cultivation had gone back to grass. He recommended that the entry be cancelled.

Cancellation proceedings were instituted in November last for failure to pay the purchase price of the land.

No defence has been filed.

On the 14th ultimo the Secretary of the Tilley East Area Board communicated with the Department with a view to leasing this quarter section for the Alberta Government.

The agent now advises that nothing has been heard from the entrant with regards to the cancellation proceedings.

I would suggest that the entry be cancelled and the land disposed of under the Tilley Area Agreement.

I, P. or Comm.

Where the applicant is unable to subscribe to the statements in paragraphs (a), (b) and (c) of this Declaration, he is not to be granted entry unless he produces special authority from the Soldier Settlement Board or the District Superintendent. Applicants who are unable to subscribe to paragraphs (a), (b) and (c) should therefore take their case up with the District Superintendent of the Board, explaining on what grounds they are applying for special authority.

Sub-Section 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

“Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land, or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land, or,
- (c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board is of the value of five thousand dollars.”

If the settler is unable to subscribe to the statements in paragraphs marked (a), (b) and (c) of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs (d) and (e) of the Declaration, the Soldier Settlement Board considers that as a rule a farm of 320 acres may be considered an average farm for the western provinces for the purposes of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has vested, possessory interest in agricultural land of an area amounting to a half section (320 acres more or less) the settler's application is not to be entertained, unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has vested, possessory interest in agricultural land the value of which is \$5,000, he should be deemed disqualified unless he has been specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purposes of this provision.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

T. W. Dalkin, Esq., Supt. Technical Division, Department of Lands

I am in receipt of your letter of the 7th instant, your file 4-122, drawing attention to an error in the printed copy of the plan of Township 77-19-W.5th M., approved and confirmed by A.P.C. Belyea, Director of Surveys, on the 1st August, 1939, the Southwest quarter of the Southwest quarter of Legal Subdivision 16 of Section 15, having been erroneously shown as dry land instead of water.

As the Northeast quarter of Section 15 was vacant Dominion land at the time of the transfer of the Resources it passed to the control of the Province and this Department has no further interest in it. However, the correction requested in your letter has been noted on the plan.

Dear Sir:

Reference is made to your letter of the 27th inst. in relation to the application for a grant of land in the name of the Soldier Settlement Board. The Board has no objection to the application, but it is necessary that the land should be granted in the name of the Board, and not in the name of the individual soldier. Mr. Weld was advised under date of the 12nd November last, that the accrued area was reserved on Canadian Pacific Railway subsidy account and that the matter was being referred to the Ordnance Lands Branch for their consideration. I would, therefore, suggest that he be again written to and informed as to how the matter may now stand.

Mr. Sheppard reports no accrued area in the S.W. $\frac{1}{4}$ and that the small portions of accrued areas in the N.E. and S.E. $\frac{1}{4}$'s should be held for sale to the registered owners of the patented portions.

I would, therefore, suggest that the Agent be informed of the cancellation of the reservation of the accrued area on railway subsidy account and advised to hold the accrued area in the N.E. and S.E. $\frac{1}{4}$'s as clear in his records and report to the Department should he receive an application from the holders of the patented portions.

With reference to the N.W. $\frac{1}{4}$, the Agent might be instructed to hold the accrued areas in the westerly five chains of L.S.D. 13 and the northerly five chains of the N.E. $\frac{1}{4}$ of L.S.D. 14 as clear in his records and to report to the Department should he receive an application from the registered holder of the patented portion. Sec. 7-46-25-W. 4th Meridian.

Question

- Advisability of granting homestead entry upon accrued area in this section, presumably that in the N.W. quarter.

See letter
Under date of the 31st October last, Mr. Weld wrote this Department on behalf of Mr. S.P. Schell, a soldier settler who is desirous of locating upon that part of this quarter section where Bear Lake has receded.

Although no specific quarter section is mentioned in Mr. Weld's memorandum, he refers to Mr. Schell having purchased some five acres in the quarter section, which would appear to indicate that it is the N.W. quarter about which the enquiry has been made. This inference is also substantiated by the fact that the only accrued area of any importance in the section is within this quarter section.

At the time the enquiry was made the accrued area in this section was reserved on railway subsidy account. This reservation has now been withdrawn and the accrued land appears to be clear in the different Branches of the Department, with the exception of any riparian rights.

Mr. Sheppard has reported that as Mr. Schell apparently holds the patented portions in the N.W. quarter he does not see any objection to his being granted homestead entry for the balance of the existing land area, or, if Mr. Schell should not be the holder of the patented portions, that the riparian claims could be restricted to the westerly five chains of L.S.D. 13 and the northerly

Re:- N.W. 1 7-40-25-W. 4th M.

has forwarded a duplicate Certificate of Title. You will notice that this duplicate Certificate of Title refers to the original area patented to Mr. Schell as 4.5 acres and also as lying West of Lane, whereas Mr. Schell would apparently not have purchased the one acre lying to the North and East in this quarter-section.

I presume, therefore, that anything which may be granted to Mr. Schell will be limited to 30 acres more, less than the sketch now hanging in your memorandum.

Kindly advise if the duplicate Certificate of Title is in error and as far as Land Patents Branch may be concerned, Mr. Schell may be granted sole entry (or be allowed to purchase the accrued area just referred to.)

Kindly also furnish this Branch with a description of this area.

Memorandum:

NW 4 SEC 7 46 25 W 4

Mr. Hume.

Pt. N.W. 7 not patented.
Tp. 46-25-N. 4th Meridian.
.....

Kindly refer to sketch.

The areas, as shown in a previous
plan, outlined in red on sketch and
consisting of three small parcels were
patented some time ago to the Canadian
Pacific Railway.

A Mr. Schell, whom Mr. Weld has
verbally informed he purchased adjoining or adjacent land
from the Soldier Settlement Board, has bought two of these
three parcels, colored green, and is anxious to obtain
permission to make soldier grant or homestead entry upon the
accrued area in this quarter section claiming that there is
now 120 acres of dry land. Mr. Schell has furnished a
duplicate Certificate of Title, which Land Patent Branch re-
ports is correct.

In view of Mr. Schell's claim that
there is at least 120 acres now dry land in this quarter
section, Mr. Sheppard calls attention to the fact that possibly
the last information on file, indicating only some 50 acres,
may not now show the present condition of the land and suggests
that the matter might be referred to the Surveyor-General's
office for investigation; and if this investigation shows that
the areas are as represented by Mr. Schell, he sees no objection
to his being granted entry for the accrued area excepting the
N. 1 of the T.E. 1 of L.S. 1.14, which might be sold in connection
with the riparian rights of the owner of the acre parcel already
patented in this legal sub-division.

In view of the fact that an investi-
gation by the Topographical Survey Branch could probably not be
arranged for previous to next season and that making returns
and the compilation of the same would probably entail a further

...delay...

delay, possibly you may consider the granting of entry upon the land shown by the plan at present and then asking the Surveyor-General to arrange for a further investigation, when the matter of adding any further areas to the portion entered for can be given consideration.

Should you approve of this suggestion, it might be noted that Mr. Schell in any case would not be entitled to homestead entry on the N. 1/4 of the N.E. 1/4 of L.S.D. 14 and as the balance of the accrued area in this L.S.D. is entirely separated, according to present information, from the accrued area adjoining the land owned by Mr. Schell, L.S.D. 14 may be omitted from consideration for the time being.

Mr. Schell, as owner of the patented portion of L.S.D. 13, could obtain entry for the accrued area in this parcel without any objection being raised. There would, however, appear to be this objection that apparently before entry could be granted the land would have to be posted enabling others to have equal chance of obtaining entry, and these others would not be in a position to obtain entry without certain portions being held in order to satisfy any riparian claims of the holder of the patented portion.

Although I am not aware of any precedent you may consider that Mr. Schell, as owner of the patented portion of this Legal Sub-division, may be considered to have the same rights as a man who has made improvements on a quarter section, or, who has otherwise put himself in a position to have certain claims upon consideration of the Department. I may, therefore, be considered that Mr. Schell should be given an opportunity to make entry for the accrued area in the W. 1/4 of L.S.D. 13 and that an investigation should be conducted by this Department in order to ascertain whether any further change has occurred in the lake bed since the former investigation was conducted, when the matter, without committing the Department, of granting any further area now shown to exist as an addition to the entry will be considered.

O. T. Schell

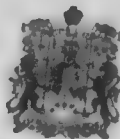

The accrued area in the N. 1/4 of the N.E. 1/4 of L.S.D. 14 to which the riparian claims of the owner of the patented one acre in this parcel may be confined is indicated in brown.

Before the matter is submitted ask whether he would accept entry for the 10 acre parcel 16 acres, without any assurance as to future action regarding remainder.

I beg to acknowledge receipt of your letter of the 6th ultimo, in reference to your desire to obtain Soldier Grant entry upon the accrued area in this quarter section.

I am to inform you that according to the present information the accrued area in this quarter section is in two parcels, one lying in the north east corner of the quarter section and the other in the westerly portion, and in accordance with the present practice it will only be possible to grant you entry covering one of these parcels. The accrued area in the parcel lying to the west of Bearhills Lake and which adjoins the 4 acres to which you hold title, consists of 16 acres.

Kindly advise the Department if you desire to exercise and exhaust your right of soldier grant or homestead entry upon the 16 acres referred to. If you indicate your desire to do so the matter will be submitted for further consideration of the Department.

Pending the receipt of this information the duplicate Certificate of Title forwarded by you is being held.

Re: S. P. Schell No. 1-8-0
N.W. 4 7-4-42 N. 4th

I have for acknowledgment your communication of the 2nd instant requesting to be advised if Mr. Schell has been granted Attestation Certificate or if he would be considered eligible for soldier grant entry should the above quarter-section be made available by your Department. In this connection I beg to refer you to our letter of the 1st October last wherein you were advised that settler desired to obtain homestead entry on the above land. In case Mr. Schell has exhausted his homestead rights, the Board would have no objection to settler obtaining the land in question as a soldier grant.

If, however, this privilege cannot be accorded Mr. Schell, the land to be patented would be confined to the E. 1/4 of the W. 1/4 of L.S.D. 13 in this section. I assume Mr. Schell might be considered the holder of adjoining land and given one day priority within which to make entry, and that should he be the successful applicant for entry, the Agent may be advised that he may add the balance of the W. 1/4 of the L.S.D., not patented, to his entry.

Secure this report and matter in the be further considered

You may also consider, in view of the circumstances of the case, that a Homestead Inspector should be asked to furnish a report upon the area now dry land with the view that if there appears to be material difference with the area shown by the present plan, the Surveyor-General be asked to have a further investigation carried out.

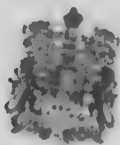

otherwise the Dept. need not

With reference to Mr. Schell's desire to obtain the land in the North East corner, his attention might be called to the one acre patented to the Canadian Pacific Railway in this corner as possibly he may wish to purchase the same. The Department would then presumably give him permission to purchase the balance of the accrued area in this corner.

If later, when received, the Inspector's report shows the dried up portions in the North East and North West corners of the quarter section to be connected, you may desire that the question of adding the balance of the dried up area in the quarter section to the portion held under entry should be given consideration. The W. 1/4 of the W. 1/4 of L.S.D. 14 should not, however, be included in view of the acre patented and the possible riparian claims of the holder of this parcel.

The areas, as shown in a previous
plan, outlined in red on sketch and
consisting of three small parcels were
located some time ago to the Canadian
Pacific Railway.

Previously informed Mr. Schell, whom Mr. Hume has
from the Soldier Settlement Board, has bought some of these
three parcels, colored green, and is anxious to obtain
permission to make soldier grant or homestead entry upon the
accrued area in this quarter section claiming that there is
now 100 acres of dry land. Mr. Schell has furnished a
duplicate Certificate of Title, which Land Patent Branch
reports is correct.

Mr. Schell has been written and asked
if he is willing to make entry upon the 10 acres not patented
in the W. 1/2 of L. 3. 3. 13 provided the Department should consider
granting him this privilege, and under date of the 9th
ultimo he has replied stating that he will be glad to do so
and also asking what he can do to secure the area which is
dried up in the North East corner of the section.

It might be noted that Mr. Schell claims
that there are 100 acres of dry land in this quarter section
and that it is very possible that the area shown as now existing
in L. 3. 3. 13 is connected with the area shown as now existing
in L. 3. 3. 14.

Mr. Schell, as holder of the patented
portion of land area, if purchasing the dried up area would
be given the priority of right to do so and yet may possibly
consider, as a special case, allowing him priority of right
within which to make entry upon the 10 acres referred to,
which appears to be the unpatented area in this parcel, the

Sir,

Re H.W. 4-7-46-25-W.4th M.

Referring to your letter of the 29th May last, enclosing one from the Land Agent at Edmonton of the Canadian Pacific Railway Company, Department of Natural Resources, I beg to say that the fraction of one acre, referred to in my letter of the 30th April last, lies north by east of Bearhills Lake and falls within legal subdivision 14 of the quarter-section.

It is observed from Certificate of Title that you are the registered owner only of that portion of the fractional North West quarter of the quarter-section west of the lake, which may be otherwise described as the fractional West half of legal subdivision 13, containing an area of 4.50 acres. There is also a fraction of 0.5 acres in the South West corner of the quarter-section (legal subdivision 12) which does not appear on your title.

It is proposed to make arrangements to have a fresh survey made of the quarter-section during the present season, if possible, evidence having been furnished by a Homestead Inspector that the whole quarter-section has been for the most part dry for several years, and provided you acquire title in the meantime to the two fractions previously referred to, the question of including the balance of the quarter-section in your homestead entry for the unpatented portion of the West half of legal subdivision 13 will be given favourable consideration.

I beg to return herewith Certificate of Title No. 246 E 46 for that portion of the quarter-section of which you are now the owner.

Samuel F. Schell of Brightview, Alberta, returned soldier, has acquired by purchase from the Canadian Pacific Railway Company all that portion of the quarter section above mentioned west of Bearhills Lake, in accordance with plan of survey dated the 20th December, 1895, comprising an area of 4.50 acres, more or less, which may be otherwise described as the fractional west half of legal subdivision 13.

In pursuance of the plan of survey dated the 30th August, 1921, Mr. Schell has been granted permission to homestead the unpatented portion of the West half of legal subdivision 13.

Representations have been made to the Department to include the remainder of the quarter section in Mr. Schell's entry, less a fraction in legal subdivision 14, containing one acre, more or less, and a fraction in legal subdivision 12 containing 0.5 acres, more or less.

In this connection Homestead Inspector Cunningham, under date of the 10th June last, has reported as follows:-

"There is a few inches of water on about 5 acres of this land at this date in a low spot from recent rains or snow water. The whole quarter section has been mostly dry for the years 1922-23 and 1924, with about 20 acres of shallow water on in 1921. This land is a black loam with clay subsoil, and is all adapted to hay or grazing purposes, and in my opinion will remain

SIR:

Referring to your memorandum dated 7th July, reference to 1914, Bearhill's Lake and affects the northeast quarter of section 7, township 40-11-4 was investigated in 1914 by L.M.M. Sears D.V.S. and was identified as a permanent lake having banks subject to moderate variations. It would appear from the homestead inspector's report that the lake has receded to a greater extent than was expected and that a considerable area has been left dry.

The report shows that the whole of the quarter section has been practically dry for three years and that in the inspector's opinion it will remain permanently dry. Under the circumstances Mr. S. Hall might be allowed to have entry for the remainder of the land shown on the official plan as covered by water, but as only one corner of the quarter section is marked on the ground, a further survey will be required to properly mark its boundaries before patent is issued.

The required survey has been noted, and will be made when we have a surveyor available in that vicinity.

Sir:

N.W. 7-46-25-W. 4th Mer.

With reference to your application to have further land added to your homestead entry covering part of the N.W. 1/4 of L.S. 13 in the above mentioned quarter section, I am to advise that it has come to notice that a copy of the Certificate of Title covering the patented portion of the fractional subdivision was not made for the records of the Department and I am to ask if you will be so good as to forward the Certificate of Title in order that this information may be placed on Departmental file.

I may advise you that the necessary investigation was carried out by a Dominion Land Surveyor and upon receipt of the Certificate of Title, further attention will be given your application for an addition to your homestead entry.

You must not, however, take this letter as any assurance whatever that the requested addition will be made.

Should you by any possibility have acquired the one acre which was patented some years ago to the Canadian Pacific Railway in L.S. 14, it would be advisable for you to also forward Certificate of Title to the Department covering this portion.

Your obedient servant,

Secretary.

With reference to the homestead granted Mr. S.F. Schell for the unpatented portion of the W. 1/2 E. 1/2 of Sec. 7-46-15-W.4th Mer., I would refer you to a copy of a letter addressed to him on the 27th August last to which no reply has as yet been received.

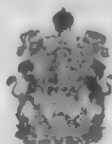

As a Soldier Settlement Board charge appears to be outstanding against the homestead, it is thought that possibly the Soldier Settlement Board Encl. may be in a position to assist the Department in obtaining the information required in order that Mr. Schell's application for an addition to his homestead, might receive further attention.

Dear Sir:-

Re: S. P. Schell, No. 14848.
N.W. 7-46-25-4.4th M.

In further reference to your letter of October 19th and my reply thereto of the 28th idem, we are now in receipt of a communication from our District Superintendent at Edmonton in which he states that on taking the matter up with the settler he was informed your letter of August 27th did not reach him. He further states that this land has been under two feet of water since last Spring and the lake appears to be still rising and the settler, therefore, does not wish to proceed with the matter until such time as the lake can be drained.

Under the circumstances, it would seem advisable for the matter to remain in abeyance for the time being.

Yours faithfully,

J. M. Roberts, Esq.,
Secretary,

Will you please furnish me with a sketch, showing that part of the North West quarter and East half of Section 7, Township 46, Range 25, West of the 4th Meridian, lying North of the lake, which was patented to the Canadian Pacific Railway Company and show the additional area in these quarter sections which may now be considered as being available for disposal owing to the recession of the waters of the lake and the different method of survey. In the North West quarter of the section, only Legal Subdivision 14 need be shown as our correspondent has apparently no rights to any accrued land in the balance of this quarter section.

Gentlemen,

I have your communication of the 28th November last, asking for a sketch covering that part of Section 7, Township 48, Range 25, West of the 4th Meridian, North of Bearhill Lake, which you state Mrs. E. J. Goodhand has sold to Mr. E. J. Wallis of Brantford, Alberta.

In view of the fact that it is stated that the title, which was held by Mrs. Goodhand, covered 130 acres, I am enclosing herewith a sketch which shows outlined in yellow this area of 130 acres which has been patented. The area coloured red on this sketch includes those portions of this section which may be termed as being land areas.

My letter to Mrs. Goodhand of the 20th September last advised her that she would be allowed to purchase the area coloured red in the last half of Section 7 only, as the information on file did not indicate that she also held title to the 1 acre which has been patented in Legal Subdivision 14 of this section.

If Mr. Wallis is willing to purchase the area coloured red, being 119 acres, more or less, at a Homestead Inspector's valuation of \$5.00 per acre, it is suggested that he advise the Agent of Dominion Lands at Edmonton accordingly as soon as possible.

Your obedient servant,
J. W. MARTIN

Dear Sirs:

Re: S.P. Schell,
N.E. 13-46-26-7.4th (Pur)
Fr.N.W. 7-46-25-7.4th (Had)

I would refer you to our letter to the above settler of October 14th, a copy of which we forwarded you, with particular reference to the Fr.N.W. 7-46-25-7.4th.

In reply to this letter Schell advised that he is still anxious to acquire this fractional area. We have investigated all the circumstances in connection with this fraction to the best of our ability with the records available here, and I will outline the apparent situation as closely as possible.

This whole section at one time belonged to the C.P.R., who sold out of it 100 acres. 100 acres consisted of the area uncovered by the lake waters on the N.E. of 7, 29 acres on the S.E. of 7, both fractions lying east of the lake, and one acre on the N.W. of 7 lying north and east of the lake. They also sold 4 acres to Mrs. Huber west of the lake on the N.W. of 7. The C.P.R. then apparently transferred all the remaining land to the Department of the Interior.

When Schell bought the N.W. of 13 through the Board from Mrs. Huber he also bought the 4 acres mentioned above. All these deals apparently took place on a survey and plan of the 20th of December, 1895.

There is another plan dated the 30th of August, 1921, which shows that the lake has receded, and the Fr.N.W. of 7, on which Schell has a homestead entry, is presumably all or part of the survey uncovered portion included in the survey of 1921, less, of course, the 4 acres to which he already has title. Some years ago Schell forwarded his Certificate of Title to the Department for their inspection.

On the Dominion Land Office file here it is recorded that Schell's homestead entry is still in good standing, but I am not sure exactly the land covered by that entry. There is also a copy of a letter from the Agent to Schell suggesting that there might be added to Schell's patented homestead the balance of the N.W. of L.S.12, the N.E. of L.S.13 and the balance of L.S.14 (if he owns the one acre in the N.W. of the N.E. of L.S.14) and 5 acres in the S.W. of the S.W. of L.S.12. Apparently the Agent refers to Schell's patented homestead in error, as the 4 acres in question were purchased by him from Mr. Huber. Mr. Schell has no knowledge of the one acre mentioned above, and apparently the Agent refers to the one acre which was patented to the C.P.R. and sold by them to someone else.

This acre

this acre lying north and east of the lake and being completely cut off from Schell's land.

Being on the banks of a lake this land is not suitable for cultivation, and the ground being soft, it is better suited for the cutting of hay than for pasture, as pasturing stock during wet seasons might spoil the property. For this reason Schell cannot prove up by cultivation, nor does he wish to prove up by pasturing, as this might spoil his land. He asked the Provincial Land Department what duties he would be required to do and this official suggested that if it was not convenient for him to prove up by pasturing he could buy it from the Provincial Land Department at a price set by them. I reminded this official that as the Board held a charge on this land it had not been transferred to them, and that in purchase price would probably have to be paid to the Department of the Interior. I am in doubt, however, as to whether the Department of the Interior could maintain a claim that they are entitled to collect the purchase price on the whole area now uncovered by the purchase, or whether they would have to be content with collecting the purchase price of that area covered by the present charge, leaving Schell to purchase direct from the Provincial Lands Branch any further areas which they are now prepared to dispose of, over and above the amount of land covered by Schell's homestead entry. There is a possibility, of course, that Schell's claim covering the P.M.W. of 7, which would be the Department's claim somewhat better. I did not wish to go into this more closely with the Provincial Land Office, for obvious reasons.

Could you please search the original file in the Department of Interior and advise me on the following points:

1. The legal description of the land covered by Schell's present homestead entry and the Board's charge.
2. In the event of Schell wishing to buy this land instead of completing the duties, what price would be charged?
3. The legal description of any lands which Schell, as owner of the adjoining land, could apply to have included in his present homestead.
4. Whether the land mentioned in '3' is under the control of the Province or the Dominion.
5. If it is under the control of the Dominion, should Schell make application to have this land included in his homestead direct to the Department of Interior in Ottawa or through the Provincial Agent here?

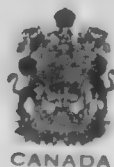

Yours faithfully,

E.M. Johnston.

With reference to our conversation of the 5th instant, and the last paragraph of the letter of the 19th Nov. last, a copy of which is on file beneath, I beg to furnish as follows descriptions of certain parcels of land, also a copy of a sketch which is also attached, as verbally requested of you:-

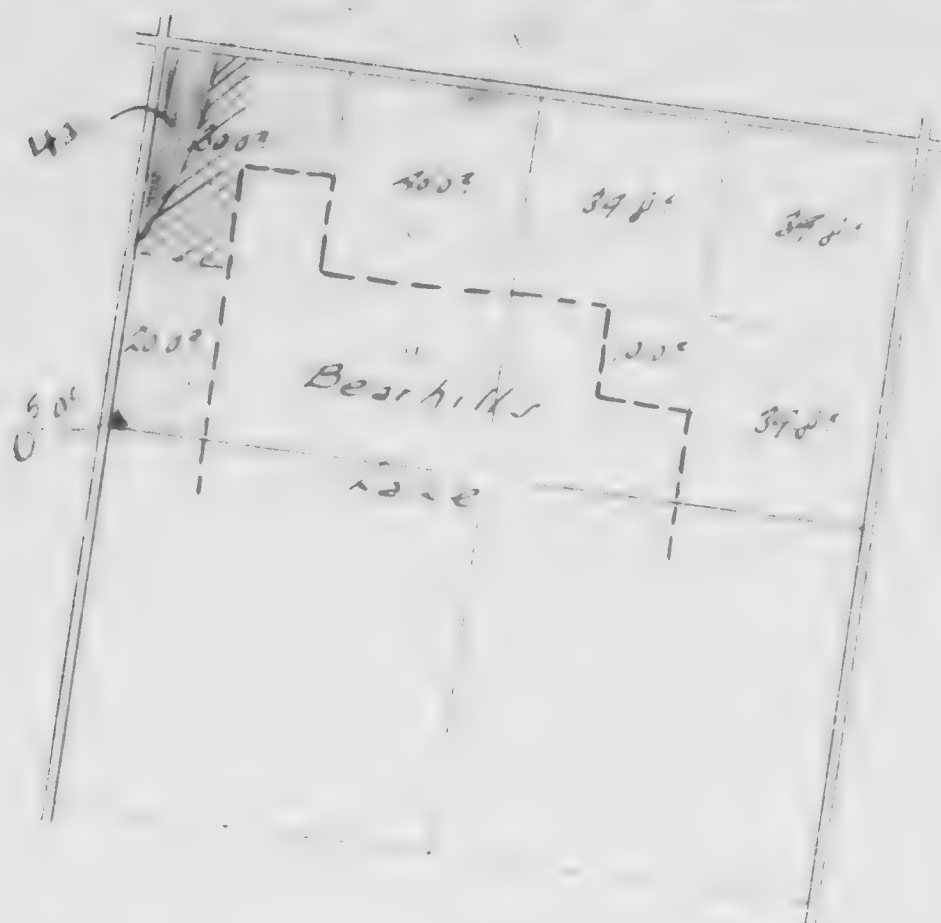

Description of land covered by Schell's present homestead entry (Pt. W. 1 L. 3. 13-7-46-25 W. 4th M.) 16 acres.

Our letters patent bearing date the 12th day of June, A.D. 1903, the said portion containing an admeasurement of Sixteen acres, more or less.

There appears to be some doubt concerning whether the two parcels containing 4.0 acres and 0.5 of an acre respectively, which are located along portions of the West boundary of the North West quarter of said Section Seven, and which are shown coloured blue on the sketch on file, are both owned by Mr. Schell. If so, a description of adjoining lands referred to in part 3 of the last paragraph of the letter of the 19th Nov. last, mentioned above and shown hatched green on the sketch follows:-

Mr. Fitch

You have called for a report on the
received through the Cattle Settlement Board from
R. W. Johnston, District Superintendent, Edmonton.

It appears that Mr. Schell purchased
from the Canadian Pacific Railway Company that portion
of Legal Subdivision 14 of Township 2, Range 1,
West of the 4th Meridian, T. 2, R. 1, W. 4,
which was sold on December, 1925, for 4 acres.

Mr. Schell furnished a Certificate of
Title for his interest of 4.0 acres. This
Certificate of Title was not retained. Due to
the discrepancy in the area, it is
doubt concerning whether the 4.0 acres and
the 4.0 acres respectively were located along
the west line of the 1/4 section, West Quarter,
and the 1/4 section, East Quarter, and the 1/4 section, North Quarter.

On the 18th May, 1924, Mr. Schell was
granted homestead entry for the 4.0 acre area in Legal
Subdivision 14, C. 1, T. 2, R. 1, W. 4, West of the 4th
Meridian, 1931, the area was 4.0 acres and the
approximately 1/4 acres.

In the event of Mr. Schell wishing to purchase his homestead instead of completing homestead duties, the practice of the Department would be to dispose of the area at an inspector's valuation, such valuation to be not less than \$3.00 per acre which is the minimum price at which Dominion lands may be disposed of.

With respect to Questions 3, 4 and 5 I may say that Mr. Schell's homestead, due to the Soldier Settlement Board charge, is still being administered by this Department but any accrued lands adjoining the homestead have passed to the Province under the agreement transferring the natural resources, and any application to acquire such lands would have to be made to the Provincial Authorities.

to his homestead which covered a portion of the $\frac{1}{2}$ L.S. 13, and asking him if he was in a position to satisfy the Department that he was the owner of the one acre which was patented in the $\frac{1}{2}$ of N.E. $\frac{1}{4}$ of L. S. 14 and 0.5 acre in the S.W. of the S.W. of L.S. 12. No reply was received from Mr. Schell to that enquiry and it will now be necessary to ascertain whether Mr. Schell owns these two fractional portions mentioned above. Possible the better way to find out would be by a search in the Land Titles Office, and obtaining an Abstract of Title showing all areas alienated from the Crown in that quarter section, and in whose name, or names they stand.

When that information is obtained I would then submit the application for patent now made by Mr. Schell, and ask the Department if they would endeavour to procure from the Provincial Authorities, to show this land has been transferred, & patent in the name of Mr. Schell.

Any titles to any portion of this quarter Section standing in Mr. Schell's name should be procured from him to be forwarded to my Head Office with his application for patent to that part of the $\frac{1}{2}$ of L.S. 13, held by him under Homestead entry.

I beg to acknowledge receipt of your letter of the 30th ult. o, enclosing Mr. Schell's application for patent for the sixteen acres of the above quarter section, along with a letter from your Field Supervisor Palfrey, enquiring as to whether Mr. Schell could acquire the balance of this quarter section from which the water has receded.

As far back as 1924 this Department was considering granting him title to the available balance of this quarter section, a report having been received from our Homestead Inspector Cunningham, to the effect that the quarter section was then, he considered, permanently dry. On the 22nd June 1929 the Dominion Land Agent wrote to Mr. Schell informing him that the Department had under consideration the question of adding the balance of the West half L.S. 12 and N.E. L. Mr. Schell recently brought in his Certificate of Title, 2462-46 for part of the L.W. 7-46-25 N.4th M. 4.50 acres, and requested that he be granted the available land in the North West quarter of this Section, as an addition to his Homestead.

I have thought it well to enclose Mr. Schell's Certificate of Title, 246-E-46, along with his application for patent for a portion of this quarter section in order that the Department might have the evidence establishing his ownership to that Western part of this quarter section, to the extent of 4.50 acres, in dealing with his request for title to the available balance of this quarter section.

It is presumed that the balance of this quarter section outside what is patented and held under entry has been transferred to the Province, but as riparian owner Mr. Schell would be entitled to accretions to the land under the Dominion Lands Act, it is assumed he would have the same rights under the provisions of the Transfer, and that the Department may consider the desirability of making up the matter with the Province if necessary.

A. G. Hume, Esq.,

Dear Sir:-

Re: L.W. 7-46-25 N.4th M.

Your Ref; 4233864

I beg to enclose the application for patent of Mr. S. F. Schell for the above land, along with a report from Field Supervisor Palfrey, who states that Mr. Schell would like to acquire the available balance of this quarter section.

Mr. Schell holds patent for 4.10 acres, which according to the survey plan of 1898 included the dry land in L.S. 13 - four acres, and in L.S. 12, 0.5 acres.

Mrs. Hetta J. Goodhand obtained title to the fractional East Half of this Section, which contained 129 acres, and for that portion of the E. 1/4 7, North of the Lake, 1 acre. At that time there was a small point of dry land jutting into the lake in the N.W. corner of the E.W. 1/4 of L.S. 14. This fraction was sold by the C. T. R. to Mrs. Goodhand, and it still stands in her name.

Mr. Hume.

W. $\frac{1}{4}$ L.S. 13 of the N.W. $\frac{1}{4}$
7-46-25-W.4th M.
Area 16 acres.

Mr. S. P. Schell acquired entry for the above land on the 16th May, 1924 at a homestead and he has now made application for patent claiming to have performed his residence duties by residing on the purchased land, the N.E. $\frac{1}{4}$ 13-46-26-W.4th Meridian, which satisfactorily complies with the regulations as regards residence but he has no cultivation on the land, all cultivation having been performed on the purchased land.

During the years 1924 and 1925 he owned considerable stock which were pastured on this land but since 1925 no stock had been pastured thereon, the land merely being used for hay cutting purposes.

On the N.E. $\frac{1}{4}$ 13 the Homestead Inspector states Mr. Schell has now 110 acres under cultivation and a house worth \$1000.00, stables and granary \$250.00 as well as a full line of stock and equipment and is and has been engaged in mixed farming since 1919.

You might, therefore, advise me as to whether you consider Mr. Schell has sufficiently complied with the requirements to entitle him to letters patent covering this land in view of the fact that the area is only 16 acres and that he presumably exhausted his homestead right when he entered for this land as a homestead.

On the 12th June, 1903, all of Sec. 7-46-25-W.4th Meridian, not covered by any of the waters of Bearhills Lake as shown on a map or plan of survey of the said Township signed at Ottawa on the 20th day of December, 1895, was patented to the Canadian Pacific Railway Company

and it also....!

and it also appears that the accrued area in the section was reserved on the Canadian Pacific Railway Subsidy Account but the Railway Company later refused to accept on Land Subsidy Account the dried off area in the section and said dried off area was then available for disposition by the Department.

The area patented to the Railway Company comprised 5.5 acres in the N.W. $\frac{1}{4}$, 100 acres in the N.E. $\frac{1}{4}$, 29 acres in the S.E. $\frac{1}{4}$ and 60 acres in the S.W. $\frac{1}{4}$ or a total of 194.5 acres.

The Canadian Pacific Railway Company subsequently disposed of the 4.5 acres in the N.W. $\frac{1}{4}$ to Mr. Schell, and to Mrs. Hetta J. Goodhand the fractional E. $\frac{1}{4}$ of the quarter-section containing 129 acres and one acre in the North East corner of the N.W. $\frac{1}{4}$ making a total of 130 acres but the Department has no record as to what disposition the Railway Company made of the 60 acres in the S.W. $\frac{1}{4}$.

Mr. Schell, after obtaining entry for the balance of Legal Subdivision 13, endeavoured to have the dried up area in the N.W. $\frac{1}{4}$ added to his homestead and this matter was on more than one occasion carefully considered by the Department and he was advised that if he would forward to the Department the Certificate of Title covering the area he purchased from the Canadian Pacific Railway in the N.W. $\frac{1}{4}$, that as the necessary investigation was being carried out by Dominion Lands Surveyor upon receipt of the Certificate of Title, further attention would be given to have application for an addition to his homestead entry but he must not take the letter as any assurance the required addition would be made.

Apparently Mr. Schell took no action to furnish the Department with the Certificate of Title referred to and consequently the Department did not add any of the dried up area to Mr. Schell's homestead.

This dried up area went to the province of Alberta with the transfer of the natural resources and I do not see how this Department can in any way now consider Mr. Schell's request for an addition to his homestead.

It would appear from the township plan of the 30th August, 1921, that the boundaries of Bearhills Lake have been considerably changed and that there is quite an area now dried up and in view of this the Homestead Inspector in his report of the 11th August, 1932, states that the lake has receded until a total acreage of 80 acres is free from water.

As the request of Mr. Schell to have the dried up area added to his homestead is still before the Department, you might advise me as to whether that gentleman should now be advised that he will require to take this matter up with the provincial authorities and you might also advise as to whether you are prepared to accept the evidence contained in the application for patent as sufficient.

MEMORANDUM:

Mr. Hewitt

On the 18th May, 1904, Mr. J. F. Cornell was granted Homestead entry for a part of the West half of Legal Subdivision 13 of Section 7, in Township 42, Range 25, West of the 4th Meridian, adjoining Bear Hills Lake, as shown on the plan hereunder, comprising an area of 15 acres.

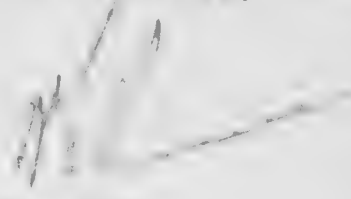

The entrant has now made application for patent, claiming to have performed his residence and cultivation duties on the North East quarter of Section 15, in Township 42, Range 25, West of the 4th Meridian, being land purchased from the Soldier Settlement Board in the year 1912. No cultivation has been done on the homestead, as required by the regulations. The land has been fenced on three sides and during the years 1904-12 the entrant pastured stock thereon, but has used the same land used for hay cutting purposes only.

The entrant purchased the adjoining 1.5 acres of the legal subdivision from a third party, and it would seem to be evident that when making Homestead entry for the 15 acres in question it was not his intention to live on the land and comply with the regulations, since he was at the time in residence on purchased land, on which considerable improvements have been made. In any event, it would

appears from a report made by the District Surveyor-
General of the Soldier Settlement Board that the land is
not suitable for cultivation, being a portion of what
was formerly the bed of Bear Hills Lake. It is there-
fore not suitable for cultivation, and is there-
fore not suitable for cattle in any way.

The District Surveyor-
General of the Soldier Settlement Board has advised that
it is not possible to plant trees on the land for a
number of years, and that the land is not suitable for
small trees. The District Surveyor-
General has also advised that the land is not suitable
for the planting of trees in any way.

Mr. Hume.

Re application for patent
of S. P. Schell for part
H. L.S. 13 of Sec. 7, Twp.
40, Rge. 25-W. 4th M.

Please see Mr. McDougall's
remarks beneath in connection with your
memorandum of the 20th ultimo.

No request has as yet been
received from the Director of the Soldier
Settlement of Canada for the issue of patent
covering this land in favour of the Board
but Mr. Schell has made the usual applica-
tion for patent and in the event of the Depart-
ment deciding that the duties, as shown, are
satisfactory, the application for patent could
be approved and Mr. Schell, as well as the Director
of the Soldier Settlement of Canada, advised of
the approval of same but further informed that
patent would not issue until the indebtedness
to the Soldier Settlement Board had been paid
in full.

No further action would then be taken
by this Department until a request was received
from the Director of the Soldier Settlement for
the issue of letters patent in favour of the Board
and the case would then be dealt with in accord-
ance with the departmental practice.

I agree with the opinion expressed in your memorandum of the 20th ultimo, on file 4833004 herewith, that the duties performed on the above land by Mr. J. P. Samuel Paul Chell, Esq.,
Friedrich, Alberta.

In answer to his application of February, 1924, the Department advised him he could homestead or Soldier Grant part of L. S. 13, a plan being forwarded to this office, copy enclosed, showing the portion of that legal Subdivision at that time considered to be dry, which was placed at 6 acres. This Plan also showed dry land on L. S. 14 but still divided by water from L. S. 13.

The practice of the Department was opposed to granting an entry for two or more parcels of land in the same quarter where divided by a body of water.

On the 30th August, 1921, another survey was approved which showed additional land in this quarter but not to the extent as shown in the plan furnished to this office.

Mr. Schell was granted entry on the 16th May, 1924, for 16 acres, being that part of L. S. 13, not already acquired by him from the C. P. R. simply for the reason that at that time the water was not shown by the map to have receded between L. S. 13 and 14, otherwise he would have been granted entry for the two fractional legal subdivisions.

The Department wrote him on the 30th April 1924, that an inspection would be made of the land in connection with his application, to obtain that part of the N. E. corner of this quarter section that had become dry land.

The report dated the 10th June, by a Homestead Inspector of this office showed the quarter section to have become permanently dry and on the 5th July, 1924, the Department wrote Mr. Schell as follows:-

"It is proposed to make arrangements to have a fresh survey made of the quarter section during the present season, if possible, evidence having been furnished by a Homestead Inspector that the whole quarter has been for the most part dry for several years, and provided that you acquire title in the mean time to the two fractions previously referred to, the question of including the balance of the west half of

"West half of L. S. D. 13, will be given favorable consideration."

The point I wish to establish is this. When this man applied for entry. the land, according to the evidence of the Inspector, was dry, and while he actually obtained entry for only what the Department told him he could get, his first intention was undoubtedly to acquire the balance of the area in this quarter, which was then there would appear to be an obligation on the part of the Department under the terms of their letter of the 8th July, 1924, which under the "Transfer of Resources Agreement" could be passed on to the Provincial Government, and which they should implement.

Kindly advise me.

Mr. A. I. Shell called here recently with reference to the accrued area in the above quarter section.

Before making the usual form 1 application for entry he wrote to the Department on the 8th of February, 1934, asking if he could obtain entry on the accrued area of this quarter section, which apparently at that time, according to a subsequent report of a Homestead Inspector included the whole of the quarter section with the exception of what had been patented to the C. F. R. He had previously purchased the largest parcel from the C. F. R., being a part of L. S. 13, containing four acres.

According to the survey plan of 20th December, 1895 there were three small portions of this quarter section jutting into the lake, all divided from each other by water. These fractions were patented to the C. F. R. but the balance of the quarter section was subsequently withdrawn from their land grant and made available for disposal by the Crown.

Dear Sir:

RE: Fr. N. 1/4 and S. 1/4 7-46-25-N.4th M.

I have your letter of the 9th instant to the effect that you are desirous of acquiring certain accrued areas in Section 7-46-25-N.4th M.

In reply I am to state that according to our records 194.5 acres of this Section were patented to the Canadian Pacific Railway, as shown on a map or plan of survey of the said Township, signed at Ottawa on the 20th December 1895.

The N. 1/4 of Legal Sub-division 13 of Section 7-46-25-N.4th M., comprizing 16 acres, stands as a homestead in the name of S. P. Schell who is indebted to the Director of Soldier Settlement for advances given on the security of this land. In view of the advances made, the land is still under the administration of this Department. A satisfactory application for patent has been made but patent will not issue until Settler's indebtedness has been paid in full. In the meantime no steps may be taken to disturb the entry.

You state that the E. 1/4 of Legal Sub-division is now dry land. If such is the case this parcel is under the administration of the Province in view of the transfer of the Natural Resources. It would appear however, that Mr. Schell as rearian owner, is entitled to accretions to the land under the Dominion Lands Act, but this would appear to be a matter between the Provincial Authorities and Mr. Schell.

Mr. B. S. Wallis of Brightview, Alberta, was allowed on the 6th May 1930 to purchase 119 acres of this quarter-section at \$5.00 per acre. The acreage was made up as follows:-

N.E. 7 - 29.4 acres
N.W. 7 - 39.0 acres
S.E. 7 - 50.6 acres.

File No.385488-2

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1912.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1912, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 123 of the Revised Statutes of Canada, 1917, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1912, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1910, P.C. 1043; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.83 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Sgd. F.J. Lemaire
Clerk of the Privy Council.

The Honourable
the Minister of the Interior.

[Signature] (Signature)

A. C. Deamel

Where the applicant is unable to subscribe to the statement in paragraphs (a), (b) and (c) of this Declaration, he is not to be granted entry unless he procures special authority from the Soldier Settlement Board or the District Superintendent. Applicants who are unable to subscribe to paragraphs (a), (b) and (c) should, therefore, ask themselves up with the District Superintendent of the Board, explaining on what grounds they are applying for special authority.

Sub-Section 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:-

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land, or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encroachments on, or the purchase of, or the improvement of, any land, or
- (c) is owner of, or has a vested pecuniary interest in, any land of such area as, in the opinion of the Board, exceeds the area of land for the duration of which the Board has agreed to make a loan to the settler, or of the value of the land so acquired."

If the settler is unable to subscribe to the statement of facts required by (a), (b) and (c) of the Declaration he is not to be granted a free grant unless specially recommended by the Board.

With respect to the information called for in paragraph (d) and (e) of the Declaration, the Soldier Settlement Board considers that it is a fair assumption that where they are recommended an acre for the Western provinces, and the purposes of section 15 of the Act. It therefore, in the statement required by the section, states that it has no interest in the vested pecuniary interest in any land of such area as, in the opinion of the Board, exceeds the area of land for the duration of which the Board has agreed to make a loan to the settler, or of the value of the land so acquired, unless it has been specially recommended for such by the Board.

In the applicant's case, it is stated that he has no interest in any land of such area as, in the opinion of the Board, exceeds the area of land for the duration of which the Board has agreed to make a loan to the settler, or of the value of the land so acquired, unless it has been specially recommended for such by the Board. The statement is signed by the settler, and is the basis for the purposes of the Act.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1928.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1928, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 124 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1920, P.C. 843; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.03 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.

Sub Section 2 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,

- (a) has, pursuant to the provisions of this Act, purchased from the Board any land; or,
- (b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of circumstances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an estate of land for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars.

If the settler is unable to subscribe to the statement in paragraph (a), (b) and (c) of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs (d) and (e) of the Declaration, the Soldier Settlement Board considers that as a rule a lot of 320 acres may be considered an average lot for the western provinces for the purpose of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has a vested, possessory interest in agricultural land of an area amounting to a half section (320 acres more or less), the settler's application is not to be entertained, unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has a vested, possessory interest in agricultural land the value of which is \$5,000, he should be deemed to apply for a lot of 320 acres, specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purpose of the above Act.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

What materials and ingredients have you made the story, and what
is the end vision of the entire

12. What extent of fencing have you made on your homestead, and what is the present cash value thereof?

13. Are there any indications of interests or connections on your part with any state or local, federal, or foreign government, or with any other person or organization?

11. If you had any other business cards, I'd be interested to see them. If you were a member of...
